**RE:** FY-15 Street Sweeper and Sewer Vactor Truck Purchases

---

Municipalities often use joint bids when purchasing specialty equipment. After reviewing the different options, the National Joint Powers Alliance (NJPA) appears to be the City's best option. The City is a member of the NJPA and staff has used this program in the past for City purchases.

After reviewing the NJPA contracts for a street sweeper and sewer vactor truck, it is the recommendation of the Department of Public Works to accept the bids of Key Equipment for the purchase of a Street Sweeper and Sewer Vactor Truck.

Description	Trade-in Asset Number	Trade-in VIN	Base Bid	Trade-in Allowance	Purchase Price (all inclusive)	Budgeted Amount
Street Sweeper	1372	1FVACXCS6HW39759	\$238,496.95	\$20,000	\$218,496.95	\$270,000
Sewer Vactor Truck	1361	2FZAATDC95AN80287	\$337,834	\$30,000	\$307,834	\$320,000

Funds for this purchase were budgeted in the General and Combine Waterworks and Sewerage System Fund (CWSS) in the amount of \$270,000 and \$320,000 respectively.
