Re: SURPLUS CITY PROPERTY

Attached is a proposed resolution authorizing you to dispose of surplus property through online auction and/or sealed bid process. Attached to the resolution is Exhibits "A" and "B" detailing the property recommended to be declared as surplus. The list includes three (3) police patrol cruisers and one (1) 1984 Chevrolet 4X4 truck with box bed. The truck is a former U.S. Army surplus ambulance that was utilized as a tactical response vehicle. We are repurposing an ambulance to better serve this function on the department's Tactical Team.

Due to a recent donation of new washer and dryer units to the Animal Shelter by a citizen, the old combination washer/dryer unit is included with the vehicles to be declared as surplus property and to be sold. I have requested this resolution be placed on the April 25, 2016 City Council Meeting Agenda. Please advise if you have any questions or require additional information.
