# Memo

**To:** Scott Wingerson, City Manager  
**From:** Justin Merkey, Director of Parks, Recreation and Cultural Arts  
**Date:** 7/6/2016  
**Re:** Project No. CP1664; Little Gully Playground Replacement

---

This project involves the purchase and installation of a new playground structure in Little Gully Park. This product is unique/single source in that it is a discontinued playground set with special liquidation pricing and is well suited to the site; available from this vendor only. Consequently, staff is recommending that this project be awarded to Play and Park Structures, Inc., thru the TCPN (The Cooperative Purchase Network), a purchasing cooperative of which the State of Missouri is a member. This type of purchase through a cooperative is authorized by Missouri Revised Statutes, Chapter 70.

Delivery and installation of this equipment will be provided by Park and Park Structures of Missouri and Southern Illinois, based in Park Hills, Missouri. This firm is recognized as one of Missouri's leading suppliers and installers of park and playground equipment.

Based on all available information staff is recommending that this project be awarded to Play and Park Structures, Inc. at the price of \$42,148.97 at the next regularly scheduled city council meeting. The funds for the city's portion of this project are available from the Capital Improvements Sales Tax Fund (transferred from the Capital Equipment Replacement Fund).
