Subject: Award Road Salt Contract

Background: The City of Gladstone recently solicited bids for a cooperative salt contract. The Clay County Highway Department, the City of Liberty, and the City of Excelsior Springs participated in the request for bids. With additional entities, the amount of salt requested increases and subsequently is less expensive than each entity alone. Requests for bids were sent to five (5) suppliers and three (3) suppliers submitted bids.

Budget Discussion: Funds are budgeted in the amount of \$ 60,000 from the General Fund. Ongoing costs are estimated to be \$ 180,000 annually. Previous years' funding was \$95,000

Public/Board/Staff Input: Public Works staff has determined that the bid from Independent Salt Company in the amount of \$59.55 per ton is the lowest and best bid received. Independent Salt Company has supplied salt to the City in the past. The City's current contract, which expired at the end of August, is with Hutchinson Salt Company in the amount of \$57.49 per ton.

The City typically uses 3,000 tons of material per year. Currently, the city has 2,500 tons of salt in storage.
