PRESIDENT MESSAGE:

Spring is just around the corner! I, for one, am looking forward to being outdoors more, the grass getting green, flowers, and sunshine. Winter hasn't been too bad but I am ready for it to be over.

Some things going on in and around the neighborhood and Gladstone:

---- Linden Heights will have its first tenants moving in in about 2 weeks. The Official Ribbon Cutting will be on April 16th.

---- Dunkin Donuts will be building a shop in the Meadowbrook Shopping Center.

---- The Linden Woods project is up and going-- Dirt is being moved. This is the project behind HyVee which when completed in approximately 16 months will provide Senior Citizens with apartment living, assisted living, and skilled nursing care all on one campus.

---- Watch for more news of upcoming activities at Linden Square, the Parks, and the yearly neighborhood garage sales.

If you have any questions, please feel free to call/ email me.
Kathy
