"Value Tours" Value Tours provide all the key destination attractions and core benefits of a standard Collette tour, including the services of a professional Tour Manager. These lower-priced packages feature 3-4 star hotels that may be less centrally located. They also offer more free time, allowing guests to pursue a wider choice of independent sightseeing and dining options.

"Leisure Stays" are tours in which the itineraries are designed to allow for multiple-night stays in two or more cities. This allows you a more leisurely pace and more time to explore the destinations on your own.

HIGHLIGHTS... Salt Lake City, Jackson Hole, Yellowstone National Park, Old Faithful, Grand Teton National Park, Park City

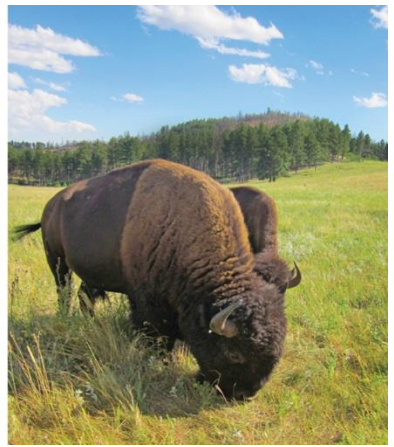

Day 1: Friday, August 8, 2014 Salt Lake City, Utah - Tour Begins Join Collette for a journey through some of America's most spectacular natural treasures and visit the states of Utah and Wyoming. Your tour begins in Salt Lake City, the "City of the Saints," where you will enjoy a two-night stay. Embraced by the massive Wasatch and Oquirrh mountains, Salt Lake holds all the attractions of a big city along with the scenic splendor of the Wild West. (D)

Day 2: Saturday, August 9, 2014 Salt Lake City Begin the day with a comprehensive tour of Salt Lake City, including the state capitol building, the charming residential district, and the Great Salt Lake, for which the city is named. The remainder of the day is at leisure. Perhaps you will explore Temple Square, one of Utah's most visited attractions. A beautifully landscaped 10-acre square in the heart of downtown, Temple Square is where you'll find the impressive 6-spired granite Salt Lake Temple and the domed Tabernacle, home of the famous Mormon Tabernacle Choir* and Tabernacle organ. Afterward, enjoy a night out on the town at one of the fantastic restaurants, bars or cafés that Salt Lake City offers. (B)

Day 3: Sunday, August 10, 2014 Salt Lake City - Jackson, Wyoming Travel north into

the rugged beauty of Wyoming to the cowboy town of Jackson, your home for the next four nights. Jackson is often referred to as the "Crown Jewel" of the Northern Rockies. This stunningly beautiful town has been the setting for many of our favorite American western movies...*Big Trail* starring John Wayne, *Shane* with Alan Ladd and *The Mountain Men* headlined by Charlton Heston were all filmed here. During dinner you will be entertained by a local cowboy with songs, poetry and music. What a great introduction to this fascinating western adventure. (B, D)

Day 4: Monday, August 11, 2014 Jackson - Yellowstone National Park - Jackson A delightful day of sightseeing awaits as you visit the incomparable Yellowstone National Park. The first and oldest national park in the world, Yellowstone sprawls across 3,470 square miles and touches three western states. It is famous for its geysers, hot springs and incredible wildlife including large, free-ranging herds of buffalo. Upon arrival, take a scenic drive to observe the park's unspoiled natural splendor. Of course, you couldn't visit Yellowstone without seeing its most famous attraction: Old Faithful. Watch in amazement as this predictable geyser erupts, sending a fountain of steam

more than 60 feet in the air! It's sure to be a sight you'll never forget. (B)

Day 5: Tuesday, August 12, 2014 Jackson Hole The day is yours to explore Jackson Hole. Some optional activities include shopping, canoeing, hiking and river rafting. Tonight enjoy a fun-filled dinner and real Cowboy entertainment at the Bar J Chuckwagon**. (B, D)

Day 6: Wednesday, August 13, 2014 Jackson - Grand Teton National Park - Jackson En route to the Grand Tetons you will visit the National Museum of Wildlife Art. A docent brings the paintings, sculptures and photography to life as you listen to the fascinating history and stories behind these "must-see" exhibits. Then it's on to the awe-inspiring Teton mountain range. Grand Teton National Park features the youngest peaks in the Rockies yet it contains some of North America's oldest rock formations. Approximately twelve Teton peaks rise above 12,000 feet and support a dozen mountain glaciers. As impressive as they are, none can compare to the Grand Teton, which reaches a staggering 13,770 feet as it towers more than a mile above the valley of Jackson Hole. Take in the beauty of this majestic Alpine landscape. (B)

Day 7: Thursday, August 14, 2014

Jackson - Park City, Utah Travel to Park City, home of the 2002 Winter Olympics and one of the most spectacular settings in North America. Before leaving you'll marvel at how high the ski slopes are. Upon arrival in the center, enjoy a stroll down Main Street filled with over 64 historic buildings, charming shops, galleries and boutiques. (B, D)

Experience It! Jackson Hole

Jackson Hole, originally called Jackson's Hole, is a valley located in Wyoming. The word "Hole" derives from language used by early trappers or mountain men who primarily entered the valley from the north and east and had to descend along relatively steep slopes, giving the sensation of entering a hole. These low-lying valleys are surrounded by mountains and contain rivers and streams which were good habitat for beaver and other fur-bearing animals.
