

# Kids Day Out!

Looking for something special for your child to do on a couple of the school days this school year? Sign them up for Gladstone Parks and Recreation's two day trips for children 8 - 13 year of age.

**February 13, 2015 - Sea Life Aquarium  
Kansas City and Arvin Gottlieb Planetarium  
at Union Station's Science City**

On the first stop of this trip, you will be transported into an amazing underwater world. Come nose to nose with sharks and prepare for astonishingly close views of everything from humble starfish and seahorses to graceful rays. You'll experience an amazing underwater ocean tunnel, more than 5,000 Sea Creatures, and you can hold a crab or touch a starfish. Next you'll learn about the solar system at Union Station's Arvin Gottlieb Planetarium. Their 60-foot dome makes it one of the largest planetariums in the Midwest. You'll begin at the sun and travel almost 5 billion miles out to the Kuiper Belt visiting planets and moons along the way.

**Registration Deadline:** January 23rd  
**Ages:** 8 - 13 (for 2014 - 2015 school year)  
**Cost:** \$18.00 includes bus transportation admission fees.  
**Time:** Bus will depart at 12:00 p.m. and return at approximately 4:00 p.m.

The long anticipated Helzberg Penguin Plaza is open and home to around a dozen Humboldt penguins and nearly 40 cold water penguins. The main exhibit area's viewing window looks out onto massive ice formations that provide a variety of above and below water excitement. You'll also meet the zoo's new 23 year old female polar bear, Berlin, who arrived at the zoo last June. She and Nikita have since become the best of friends. And, of course, you'll see many other exciting animals as we visit the rest of the zoo.

**Registration Deadline:** April 4th  
**Ages:** 8 - 13 (for 2014 - 2015 school year)

**Cost:** \$15.00 includes bus transportation and zoo admission.

**Time:** Bus will depart at 9:30 a.m. and return at approximately 2:30 p.m.
