Start Smart Golf

This 6-week golf program is for 5- to 7-year-old children and will teach the children basic motor skills necessary to play organized golf, while they work one-on-one and spend quality time with their parents. The program focuses on teaching children and their parents the traditional game of golf without the threat of competition or the fear of getting hurt.

Classes will begin on April 3 and will be offered on Mondays only from 6:00 to 7:00 p.m. Classes will meet on the west side of Happy Rock Park on the southside of the parking lot.

Parents Meeting will be held during the first 10 minutes of the first class. During the meeting, you will receive program information and your child's T-shirt.

Registration will begin Monday, Feb. 6 and will end March 17 or until the program is full. This program is limited to 16 participants per session. Payment must accompany registration. No telephone registration will be accepted. Payment may be mailed or delivered to:
