

Youth Tech^{Inc.}

Youth Tech Inc. is dedicated to providing high quality, affordable training for students with a passion for learning, giving them a competitive advantage in the field of their choice.

June 19th-22nd

2017 Summer Camps

Robotics (ages 8-14 years) 9 a.m. – 12:00 Noon

This course offers hands-on opportunities to build and program robots. Students will compete in a battle bots competition at the end of the camp to prove their robot is the best. This class is perfect for the student who has a big imagination and likes to build things. Fee: \$150.00

Video Game Design (ages 9-17 years) 1:00-4:00 p.m.

This course provides students with a fun interactive look at the world of video game design and development. Students enrolled in this camp will learn the basics of video game design and produce several different interactive video games to share with their friends and family. Fee: \$170

July 10th-13th

Movie Makers (ages 9-17 years) 9 a.m. – 12:00 Noon

This hands-on interactive course will instruct students on the world of digital video design and production. Students will film, direct and edit their own digital video creations. Fee: \$150

Web Studio (ages 9-17 years) 1:00-4:00 p.m.

In this class students will learn the basics of animation and digital design. Students will create animations to share!

Classes will be held at:
Gladstone Community Center
6901 N. Holmes, Gladstone, MO
