Start Smart Soccer

This 6-week soccer program is for 3- to 5-year-old children and will meet once a week. This program will teach children the basic motor skills necessary to play organized soccer while they work one-on-one and spend quality time with their parents. The program focuses on teaching children and their parents dribbling/shooting skills, kicking, passing/trapping, and throw in/running without the threat of competition or the fear of getting hurt.

This program will be offered in four different sessions. Dates are located on the opposite page. All sessions will begin the week of April 2 and will be held from 6:00 to 7:00 p.m.

Classes will meet at Central Park, 825 NE 70th Terrace. Parents Meeting will be held during the first 10 minutes of the first class. During the meeting, you will receive program information and your child's T-shirt.

Registration will begin on Monday, February 5 and will end March 16 or until the program is full. This program is limited to 21 participants per session. Payment must accompany registration. No telephone registration will be accepted. Payment may be mailed or delivered to:
