

GEOCACHE GUIDELINES GLADSTONE, MISSOURI PARKS & RECREATION 1-8-09

The following guidelines are to be adhered to when a proposal is made for a geocache to be placed on properties under control of the City of Gladstone:

- Gladstone Parks and Recreation is to be advised as to the location of any geocache placed within any of our park areas or properties.**
- No items may be placed in a geocache that may be interpreted as offensive, racist or of a profane nature.**
- Placement of the geocache shall not cause any damage to the park amenities and/or pose any potential danger to park users.**
- All geocache shall be clearly identified as a geocache to avoid confusion as to its nature and purpose.**
- Geocache can be removed at any time for any reason by Gladstone Parks and Recreation.**
