

TRIM II Grant Received by Gladstone Department of Parks and Recreation

Gladstone Parks & Recreation has successfully applied for a grant to plant trees in Gladstone Parks. We have received funding to plant 30 trees in Oak Grove Park, Hamilton Heights Park, Happy Rock Park and the City Hall Campus. These trees were planted in the parks in the month of November, 2008. Director Lillis commented, "This is a wonderful opportunity to replace mature trees that have been lost due to storm damage over the last six years." Gladstone has received the Tree City USA designation for the past six years.
