Memorandum

TO: Kirk L. Davis, City Manager
FROM: Timothy A. Nebergall, Director of Public Works TAN
SUBJECT: Regional Household Hazardous Waste Collection Program

The City of Gladstone has participated in the MARC Regional Household Hazardous Waste Collection Program since 2006. This program requires the City to enter into a new Intergovernmental Agreement annually. In order to continue in the program, staff is requesting that the City Council authorize the City Manager to execute a new agreement with MARC.

The annual cost of participation is \$1.04 per resident based on population estimates from the 2010 census. This equates to an annual fee of \$26,426.40 for the City of Gladstone, which is the same cost as 2015. During the first three quarters of 2015, 346 residents participated in the program and safely disposed of approximately 26,408 lbs of household hazardous waste.

Since 2006, the City has hosted annual events where residents could bring their material for disposal. In 2016, the City will hold a similar event. During all of these events, the City receives numerous expressions of appreciation for providing the opportunity to dispose of hazardous waste material. Without this program, much of this material would accumulate in resident's homes or be disposed of improperly.

There is \$26,500 budgeted in the FY-16 General Fund for this program.
