Subject: Amendment to Shoal Creek Trail Cooperative Agreement with Kansas City, MO (KCMO)

Background: Mayor Suter recently met with KCMO and discussed the potential for a joint dog park in the vicinity of Happy Rock Park. KCMO representative Wes Minder proposed using approximately \$350,000 KCMO savings from the Shoal Creek Trail to fund their portion of the design and construction of a dog park and a small trail extension. Gladstone would be the lead agency.

Mr. Minder recently tendered his resignation from Kansas City. In an effort to keep those discussions ongoing, Gladstone City staff has expedited the preparation of an amendment to the existing Shoal Creek Cooperative Agreement. Several significant details still need to be worked out between the parties including construction funding and general operation and maintenance.

Budget Discussion: Funds are budgeted in the amount of \$ N/A from the Fund. Ongoing costs are estimated to be \$ N/A annually. Previous years' funding was \$N/A

Public/Board/Staff Input: City staff recommends the approval of this amendment.
