- B. The District and the City desire for this Agreement to guide and direct the School Resource Officer Program.

NOW, THEREFORE, in consideration of the agreements and undertakings hereinafter set forth, and for other good and valuable consideration, the receipt and adequacy therefor being hereby acknowledged, the District and the City agree as follows

## II. MISSION AND GOALS:

- A. The mission of the School Resource Officer Program is to reduce incidents of delinquency in or around school by combining law enforcement with educational professionals to address drug and alcohol abuse, youth violence, truancy and other youth issues in an educational environment.
- B. The following goals are shared between the District and the City with regard to the School Resource Officer Program:
  - 1. Provide a safe and respectful school;
  - 2. Enhance the relationship between law enforcement officers and students in middle school; and

3. Foster educational programs, which will address tobacco, alcohol, and other drug issues, violence diffusion and prevention, and other safety issues as needed.
4. Provide DARE education to all fifth graders in the District at the District's four elementary schools located in Gladstone, Missouri: Meadowbrook Elementary School, Chapel Hill Elementary School, Oakwood Manor Elementary School, Linden West Elementary School, and the Northland Innovations Center.

### III. EMPLOYMENT AND ASSIGNMENT OF THE SCHOOL RESOURCE OFFICER:

A. Collaboration of the selection of an SRO shall be achieved through the School District's Safety & Security Director, in conjunction with the City. Upon agreeance of such selection, the City shall provide one (1) SRO to Antioch Middle School, 2100 NE 65<sup>th</sup> Street Gladstone, Missouri.

#### B. Regular Duty Hours of the School Resource Officer

1. The SRO shall be assigned to the school on a full-time basis during those days and hours the school is in regular session. The SRO shall be on campus from one-half hour prior to the start of classes until one-half hour after the end of the regularly scheduled school day.
2. On early release days, the SRO may be required to attend District meetings or training during the remainder of the day.
3. During the SRO's daily tour of duty, the SRO may be off campus performing such tasks that may be required by their assignments.
4. The SRO may be temporarily reassigned by the City during school holidays and vacations, and/or during the periods of police emergency.
5. Regular working hours may be adjusted on situational basis with the consent of the SRO's supervisor. These adjustments should be approved prior to their being required and should be utilized to cover scheduled school related activity requiring the presence of a law enforcement officer.

#### C. EXTRA DUTY HOURS OF THE SCHOOL RESOURCE OFFICER

1. The District may request the City to provide a School Resource Officer for summer programs, not to exceed thirty (30) days beyond the normal academic calendar.

2. The District may request the City to provide a School Resource Officer for Before- and After-School Programs, not to exceed three (3) hours per day.
3. The SRO will participate in training related to their SRO duties on one professional development day in the first semester and one professional development day in the second semester. The SRO will work with the District Safety & Security Director to establish and set up the training.

D. The Role of the School Resource Officer

The role of the School Resource Officer is based on a "triad" approach adopted from training developed and presented by the National Association of School Resource Officers (NASRO) and/or the Missouri School Resource Officers Association (MSROA). The triad philosophy defines a School Resource Officer as fulfilling three main roles: Educator, Counselor or Problem Solver, and Law Enforcement Officer.

1. Educator - The School Resource Officer shall provide educational information in the form of classroom presentations, parent or public presentations, or in-service school staff presentations. Formal presentations shall be made available to these groups on any topic concerning public safety, law related issues, crime prevention, drug abuse prevention, gang prevention, or other topics as appropriate. The School Resource Officer will act as an instructor, or arrange for another SRO or certified public safety instructor, for these respective presentations when invited to do so by the principal or member of the faculty. These presentations shall be conducted in a professional manner and shall be pre-approved by the District's Director of Safety & Security with input from the respective school administrator.
2. Counselor/Problem Solver - The School Resource Officer is not a substitute for school counselors. The SRO may give advice or guidance to students and the education staff within the context of the officer's knowledge, training and experience. The SRO counsels students on a variety of issues, which may range from dealing with anger, personal conflicts, drug and alcohol issues, abuse and neglect, and other issues related to public safety or the law.

The School Resource Officer shall work closely with the District's Director of Safety & Security, school administrators and counselors, social workers, juvenile officers, and other organizations, which service youth in order to provide support to students in need.

3. Law Enforcement Officer - The School Resource Officer shall conduct criminal investigations and make arrests utilizing the same criteria as any other certified law enforcement officer of the City. However, the effective SRO will often work with the District's Director of Safety & Security, school administrators, parents, social service agencies, and perhaps the Clay County Juvenile Office to explore effective ways to hold juvenile offenders accountable for their actions.

The School Resource Officer shall also gather intelligence information regarding criminal activities involving school aged or juvenile offenders. This information is then shared with the appropriate resources.

E. Additional Duties of the School Resource Officer

1. The SRO shall coordinate all of his/her activities with the City, the District's Director of Safety & Security, the principal and staff members concerned, and will seek permission, advice, and guidance prior to enacting any programs within the School.
2. The SRO shall develop expertise in presenting various subjects to the students. Such subjects shall include a basic understanding of the laws, the role of the police, and the police mission.
3. The SRO shall encourage individual and small group discussions with students based on material presented in class to further establish rapport with the students.
4. When requested by the District's Director of Safety & Security or by the respective principal, the SRO shall attend parent/faculty meetings to solicit support and understanding of the SRO program. Each year, the SRO will provide faculty members, especially new members, an overview of the SRO program.
5. The SRO shall make himself/herself available for conferences with students, parents, and faculty members in order to assist them with problems of law enforcement, crime prevention, or violence prevention topics. Confidential information shall not be disclosed except as provided by law or court order.
6. The SRO shall become familiar with all community agencies that offer assistance to youth and their families such as mental health clinics, drug treatment centers, etc. The SRO shall make referrals to such agencies and liaise when necessary, thereby acting as a resource person to the students, faculty and staff of the school.

7. The SRO shall assist the District's Director of Safety & Security and principal(s) in developing plans and strategies to prevent and/or minimize dangerous situations that may occur on campus or during school sponsored events.
8. The SRO shall adhere to School Board policy, City policy and legal requirements should it become necessary to conduct formal police activities with the students.
9. If the SRO becomes aware of any criminal investigation at the SRO's respective school(s), the SRO should help coordinate that investigation, even though the SRO may not be the lead investigator. For example, when the SRO becomes aware of a child abuse case, they may not be the lead investigator; however, the SRO will make the necessary contacts with the appropriate investigating agency to facilitate the investigation.
10. The SRO shall take law enforcement action as required. As soon as practical, the SRO shall make the District's Director of Safety & Security, along with the respective principal, aware of such action. At the request of District's Director of Safety & Security or the respective school principal, the SRO shall take appropriate law enforcement action for violations of the law on school property or at related school functions as allowed by Missouri Statues.
11. The SRO shall give assistance to other law enforcement officers and/or other local law enforcement departments in matters regarding his/her school assignment, whenever necessary.
12. The SRO shall, whenever possible, and in accordance with established overtime procedures, participate in and/or attend school functions.
13. The SRO may be assigned non-campus investigations relating to runaways or truant students that attend the school to which the SRO is assigned.
14. The SRO shall maintain detailed and accurate records of the operation of the School Resource Officer Program, and shall make them available to the City, the District's Director of Safety & Security, principal, or superintendent as required by law.
15. The SRO shall not act as a school disciplinarian or conduct searches or frisks on behalf of an administrator for issues only related to school discipline. However, if there is a safety risk; or the District's Director of Safety & Security or the principal believes a violation of

law has occurred, and the school district intends to pursue the matter criminally; then the SRO shall be contacted. The SRO shall determine whether law enforcement action is appropriate. If the District's Director of Safety & Security disagrees, then the SRO's supervisor at the City shall be consulted.

16. The SRO is not to be used for regularly assigned lunchroom duties, hall monitor, bus monitor, in school suspension monitor, or any other regularly assigned duties that are filled by a School or District employee. If there is a problem in one of these areas, the SRO should be actively involved and help the school solve the problem. These solutions will vary, but may include the presence of the SRO in these areas. Even though the SRO is not to be assigned regular duties of another School or District member in these high traffic areas, the SRO should make a consistent and regular practice to be visible in these areas. The SRO's presence will provide great opportunities to make positive contacts with students and to help deter negative issues from occurring.
17. The SRO or City should ensure the respective principal and the District's Director of Safety & Security are notified when the SRO is sick or injured prior to the start of the school day.

F. Access to Education Records

1. School officials shall allow the SRO to inspect any public records maintained by the School District to the extent allowed by state and federal law. However, law enforcement officials may not inspect and/or copy confidential student education records except in accordance with Board of Education Policy and Regulations.
2. If some information in a student's cumulative record is needed in an emergency to protect the health or safety of the student or other individuals, school officials may disclose to the SRO that information which is needed to respond to the emergency situation based on the seriousness of the threat to someone's health or safety.
3. A full explanation as to the need of the information to handle the emergency and the extent to which time is of the essence shall be articulated in the SRO's official policy report.
4. If confidential student record information is needed, but no emergency exists, the information may be released only upon the issuance of a search warrant or subpoena to produce the records,

or with consent of the student's parent or guardian as required by Board Policy or as otherwise allowed by state and federal law.

5. The City, the Police Department and the SRO will comply with the Family Educational Rights and Privacy Act, 20 U.S.C.A. § 1232g, and will indemnify the District, to the extent permitted by law, for any damages suffered by it by reason of its failure to do so.

#### IV. RIGHTS, DUTIES AND RESPONSIBILITIES OF THE DISTRICT

A. District Administration shall provide to all the full-time SRO's the following materials and facilities, which are deemed necessary to the performance of the SRO duties:

1. Access to an air-conditioned and properly lighted private office, which shall contain a telephone to be used for general business purposes. This office may be shared by another SRO, but shall be for SRO use only.
