Subject: An Ordinance authorizing the City to participate in the Missouri Highway Safety Program and receive grant funds, under the terms outlined by the Missouri Department of Transportation, for the purpose of increased enforcement of traffic laws.

Background: As with years past, our department has applied for the following grants through the Missouri Highway Safety Division to increase safety and awareness in driving and alcohol consumption:

DUI Enforcement

Hazardous Moving Violation

EUDL (Youth Alcohol Enforcement)

For the past 3 years (per year) we have received grant funding for **DUI Enforcement**, **Hazardous Moving Enforcement**, and the **Youth Alcohol Enforcement** grant. Based on our level of enforcement activity in all three, we are again applying for funding and anticipate and increase in those awards.

DWI Enforcement Projects (requesting \$10,000.00) will consist of one or more officers who will patrol and seek out impaired drivers in high alcohol-related crash areas during the hours and days of peak alcohol usage. Funding will be provided or overtime or full-time manpower, and support personnel such as dispatchers, and may be provided for equipment if the need is demonstrated.

Hazardous Moving Violation (HMV) Enforcement Projects (requesting \$20,000.00) will target high-crash locations and areas where consistent HMs occur. Projects will be developed from the analysis of specific traffic problems occurring in your community and the resulting problem identification. Funding will be provided for overtime or full-time manpower, and support personnel such as dispatchers, and may be provided for equipment if the need is demonstrated. Hazardous violations are DWI/BAC; Improper Turn; Follow to Close; Stop Sign; Traffic Signal; Failure to Yield; Careless Driving; Red Light Running; Speeding; School Bus Stop Arm; etc. HMV projects can also address distracted driving and enforcement projects to specifically reduce bicycle & pedestrian fatalities.

This grant also pays (100% reimbursement) for up to two officers to the annual LETSAC Conference held every year at the Lake of the Ozarks.

Youth Alcohol Enforcement Projects (requesting \$11,250.00) will consist of one or more officers patrolling high-alcohol related crash areas during the hours and days of peak alcohol usage. The purpose of the patrol will be to use probable cause to stop and arrest underage (under 21) impaired drivers, check for compliance and other deterrence programs. Funding for this type of project will be for officer overtime; funding can also be used to pay undercover buyers.

***All three of these grants will be paid to the officers at a double time rate and these grants are paid to the City of Gladstone at a 100% reimbursement rate.**

We are asking for the City Council's approval to continue to participate in the fully funded Highway Safety grants as we have been for the past several years.
