### **Section 3.02 Rights & Responsibilities**

The foregoing powers, rights, authority, and responsibilities, and the adoption of policies, rules, regulations and practices in furtherance thereof shall be exercised in conformity with this Agreement by the City's selected management personnel. Failure of the City and/or Department to exercise any of the Management Rights enumerated above does not diminish the future ability to exercise such Management Rights.

### **Section 3.03 Operation of Law**

Nothing in this Agreement shall be interpreted or construed in a way that would prevent the City and/or the Department from complying with any duty or obligation placed upon the City and/or Department by operation of law.

### **Section 4.04 Use of Internal Mail**

The Lodge shall be permitted to use the City's email and hard copy internal mail distribution systems for Lodge business, so long as the Lodge's use does not create a burden on the City's electronic and/or physical systems, and so long as such mail use does not hinder on-duty personnel in the performance of their duties. The Lodge shall use the City's email system only for the purpose of communicating with its membership and with Police Department and City management. The City shall, upon written request, provide to the Lodge information and records reasonably relevant to the Lodge's performance of its functions in serving as the exclusive bargaining representative of the employees in the bargaining unit. Where such information involves medical data, the City will require the Lodge to present a signed release from each employee covered by the request.

#### **Section 4.09 Request for Information Fee**

In the event the City estimates that responding to a single information request will require the production of more than 100 pages of information that is not available in electronic format, and/or will require more than two hours of staff time to research or prepare, the City shall notify the Lodge of this fact, and the estimated charge for compliance with the request. Research and duplication time will be estimated and charged at the lowest hourly pay and benefit rate of available qualified personnel, and copies shall be estimated and charged at 15 cents per page.

#### **Section 4.10 Indemnification**

The Lodge shall defend, indemnify and hold harmless the City in the event that a City employee should file a claim against the City for unauthorized dues deduction or release of information, and such deduction or release was pursuant to information, or a request for information, provided by the Lodge to the City.

Officers are eligible to participate in the promotion process for Sergeant after five (5) years of full-time service as a commissioned Police Officer with at least two (2) years of service with the City of Gladstone.

- a) Significant discipline is defined as two or more suspension days within the past 24 months.
- b) Officers that voluntarily separate from the agency and return within six (6) months are eligible to participate in the promotion process if they meet the minimum qualifications.
- c) Officers that voluntarily separate from the agency and return after six months will be required to meet the minimum qualifications and will not be eligible to participate in the promotion process for one year from the date of their return.
- d) Those holding the rank of Corporal at the time of the Sergeant promotional process will be afforded an additional 10% to their overall combined score.

**Section 9.02 Promotional Process** When the Chief determines there is a need to fill one or more Corporal or Sergeant positions, he or she shall distribute a notice of the opening(s), via email, at least fourteen (14) days before the position is to be filled. The email shall specify the number of positions to be filled, and the commencement date for the promotional process.

- (c) The Police Chief shall interview all candidates up to five (5) for any open position(s) and shall select the best candidate for promotion, based on the needs of the Department, after considering each candidate's job performance and relevant knowledge, experience, and ability. In the event the Police Chief determines none of the internal candidates are qualified for promotion, he or she may seek and consider external candidates. If external candidates are considered, then all internal candidates will be deemed eligible.

- (d) In the event the Police Chief promotes out of the order of the ranked list, written notice including justification will be provided to the Union and to the candidate(s) who were skipped.
- (e) Employees shall be paid at straight time rates for time spent in testing or in interviews during the promotional process. The City shall have the option to adjust working schedules during the weeks affected by the promotional process, so that any employee's total scheduled hours during the work period(s) in question do not exceed the regularly scheduled hours for that period. Regardless of whether the City elects to make such adjustments, the parties jointly recognize that participation in the promotional process is not "work" for the benefit of the City, but rather is a purely voluntary activity for the benefit of each individual officer. Therefore, hours spent in a promotional process will not count toward overtime eligibility.

### **Section 9.03 Raises Upon Promotion**

Upon receiving a promotion, the employee shall receive a pay increase to the lowest step of the new classification that results in a pay increase of at least 4%.

The City will first attempt to place an injured officer in a position within the police department. If no work is available within the Department, the officer may be placed in a position within the City. ### **Section 10.02 Non-Duty Related Medical Condition**

When an employee is unable to perform his or her regular work assignment due to a non-work-related injury or non-communicable illness, the City may at its discretion offer a transitional duty assignment, to the extent productive work is available and there is an operational need for the injured employee to perform the transitional work. Employees with on-the-job injuries shall have preference over employees with non-work-related injuries for any such assignments.

### **Section 10.03 Acceptance of Transitional Duty**

Employees with work-related illnesses or injuries must accept and perform transitional assignments that are offered to them, in accordance with Departmental policy, so long as the assignment is fully consistent with all medical restrictions. Any employee who declines a transitional duty assignment will be subject to reduction in workers' compensation pay, to the extent allowed under State law.

## **Article XI. Wages**

### **Section 12.02 Regular Rate Calculation**

Pay incentives will be included in determining each employee's regular hourly rate for overtime calculation purposes, consistent with the Fair Labor Standards Act.

### **Section 12.03 No Duplicative Payment**

Members under investigation are entitled to have an attorney or any duly authorized representative present during any questioning that the member reasonably believes may result in disciplinary action. The attorney or representative shall be permitted to confer with the member but shall not unduly disrupt or interfere with the interview. The questioning shall be suspended for a period of up to twenty-four (24) hours if the officer requests representation.

### **Section 20.06 Review of Internal Affairs or Disciplinary Files**

After the completion of any administrative investigation, upon written request of the member or the member's representative, a copy of the entire record of the administrative investigation, including, but not limited to, audio, video, and transcribed statements, shall be provided within five (5) business days of the written request. The Department may request a protective order to redact all personal identifying witness information. Any individual who reviews an internal affairs investigatory file shall maintain the confidentiality of all information contained in the file.

### **Section 20.07 Written Reprimands**

Written reprimands shall remain active in employees' personnel files for one (1) year from the date they are issued, and during that period of time, written reprimands may be used for subsequent progressive discipline. After one (1) year, written reprimands will no longer be used for subsequent progressive discipline, but may be referred to for the purpose of demonstrating knowledge of the applicable rules or expectations, and/or to establish a pattern of behavior.

### **Section 20.08 Suspensions**

Suspensions shall remain active in the employee's personnel file indefinitely, and may be used for subsequent progressive discipline, provided that the weight to be given to prior suspensions shall be subject to the just cause analysis.

## **Article XXI. Internal Investigations**

### **Section 21.01 Administrative Investigations**

All internal investigations in disciplinary matters will be conducted in accordance with the provisions of Mo. Rev. Stat. § 590.502.2.

## **Section 21.02 Criminal Investigations**

If, during the course of any investigation, it becomes apparent that the employee's alleged conduct may amount to criminal activity, the Department shall determine whether to refer the matter for criminal investigation. During the pendency of any criminal investigation, management may suspend the administrative investigation and may elect either to place the employee on administrative leave, with pay, or it may elect to take appropriate disciplinary action based on the information gathered independently from the criminal investigation.

## **Section 21.03 Bargaining Unit Member Involved Shooting Investigation**

- No bargaining unit member who has discharged his or her weapon shall be treated as a suspect unless there is reasonable suspicion or probable cause to believe a crime has been committed.
- The scenes from shooting situations are to be considered and handled as any other major crime scene, per the appropriate policy. The on-scene supervisor will be in charge until properly relieved by the Lead Supervisor of the investigating agency. The crime scene will be held until the Chief or his/her designee authorizes the release. The involved officer shall not leave the scene until released by the Lead Supervisor or Gladstone PD Commander or their designee, unless transported for medical evaluation or treatment.
- Immediately following the shooting, bargaining unit members may be ordered to participate in a walk-through with an assigned investigator and provide answers to the following public safety questions to provide information necessary to complete the investigation:
  - 1) Are you injured?
  - 2) If you know of anyone who was injured, what is his or her location?
  - 3) In what direction did you fire your weapon(s)?
  - 4) Are there any suspects at large, what are their descriptions?
  - 5) What was the suspects' direction of travel?
  - 6) How long ago did the suspects flee?
  - 7) For what crimes are suspects wanted?
  - 8) With what weapons is the suspect armed?
  - 9) Does any evidence need to be preserved?

- 10) Where is the evidence located?
- 11) Did you observe any witnesses?
- 12) Where are they?

- Besides the answers to these questions, no other questioning shall be performed at the scene.
- A bargaining unit member who is involved in a shooting incident shall have the right to have legal counsel present during any criminal interview. No criminal interview of the bargaining unit member involved in a shooting incident shall be conducted until the officer is well rested, generally two full sleep cycles.
- Bargaining unit member(s) involved in shooting incidents resulting in any personal injury or fatality may be relieved of duty and placed on Administrative Leave by the Chief or his/her designee. They will retain their badge and identification card, but not their weapon. This shall be removed and retained pending the investigation. A replacement weapon will be made available to any member placed on Administrative Leave and whose weapon has been removed. Bargaining unit member(s) will receive formal notification of their Administrative Leave or Administrative Assignment through a Notice of Administrative Assignment.
- If criminal charges are filed, the leave will become unpaid from the time of filing. If the charges are subsequently dropped, or if the bargaining unit member is acquitted on the charges, he or she will be returned to full duty status with all back pay, unless the Employer determines to pursue disciplinary action against the bargaining unit member, independent of the disposition of the criminal charges. In that event, all other procedural safeguards of this Memorandum and the Employer's personnel rules shall apply to that disciplinary action. The bargaining unit member(s) will receive formal notification through a personnel action form of their return to active status.
- Bargaining unit member(s) involved in shooting incidents resulting in any personal injury or fatality shall be required to be evaluated by a mental health professional to determine if the bargaining unit member is emotionally fit before they may return to active duty. This shall be at the expense of the City.

The City will pay the costs and expenses for counseling with a City-selected mental health provider for any bargaining unit member who is involved in a critical incident.

## **Article XXII. Grievance Procedure**

### **Section 22.01 Filing Grievances**

A "grievance," for the purposes of this Article shall mean any dispute over the application and/or interpretation of this Agreement and/or any City or Departmental personnel policy/work rule (excluding operational directives that do not address terms or conditions of employment). The Lodge, the City, or the Department shall be the only parties permitted to file grievances. The City or Department shall not accept or process grievances filed by individual bargaining unit members. Individual bargaining unit members shall submit their potential grievances to the Lodge for evaluation. The Lodge shall evaluate potential grievances and file grievances as required by the standards of its duty of fair representation.

### **Section 22.02 Resolution at Earliest Possible Step**

Informal discussions with the Chief of Police or Human Resources Administrator are encouraged prior to filing grievances. The parties desire to resolve grievances at the earliest possible step and shall endeavor in good faith to do so. Grievances may be settled at any of the steps of the grievance procedure. If the settlement is reduced to writing and signed by representatives of the Lodge and the Chief of Police or City Administration, such resolution shall be final as to that grievance.

### **Section 22.03 Waiver of Additional Process**

In the event that the Lodge files a grievance on behalf of an individual employee or group of employees, the election to use the grievance process set out herein shall constitute a waiver of any other dispute resolution mechanism that would otherwise be available to address the same matter.

### **Section 22.04 Filed Within 15 Days**

All grievances must be submitted in writing to management within fifteen (15) calendar days after the Lodge and/or grieving employee first knew or reasonably should have known of the issue being raised. The Lodge may file a grievance on its own behalf or on behalf of any bargaining unit employee.

### **Section 22.05 Step One**

Grievances at the first step shall be filed with the appropriate Captain. Every grievance shall be reduced to writing, signed, and dated by the person submitting the grievance. Each first step grievance shall state in summary fashion the nature of the issue being grieved and the resolution desired. The Division Commander shall countersign and date the grievance when it is submitted. Within ten (10) calendar days after receiving a grievance, the Division Commander shall issue a written decision stating that grievance is upheld, or if the grievance is denied, stating the reasons for the denial.

### **Section 22.06 Step Two**

If the matter is not satisfactorily resolved at Step One, the Lodge may appeal the grievance to the Chief. Any appeal to Step Two must be submitted to the Police Chief within ten (10) calendar days after the Division Commander issues his or her decision at Step One, or within fourteen (14) calendar days after the grievance was filed at Step One if the Division Commander fails to issue a timely decision. The written Step Two appeal to the Chief must contain a concise statement of the facts giving rise to the grievance, the applicable section of this Agreement or City or Departmental policy that has allegedly been violated, and the resolution desired.

The Chief shall either issue a written decision within ten (10) calendar days, or at his or her option, may schedule a grievance meeting to discuss the matter with the grievant and a Lodge representative, at a mutually convenient time. In the event the Chief schedules such a meeting, the written decision shall be due no more than ten (10) calendar days after the grievance meeting takes place.

### **Section 22.07 Step Three**

If the matter is not satisfactorily resolved at Step Two, the Lodge may appeal the grievance to the City Manager or the City Manager's designee. Any appeal to Step Three must be submitted within ten (10) calendar days after the Police Chief issues his or her decision at Step Two, or within fourteen (14) calendar days after the grievance was appealed to Step Two or the grievance meeting was held, whichever is later, if the Police Chief fails to issue a timely decision. The written Step Three appeal must contain a concise statement of the facts giving rise to the grievance, the applicable section of this Agreement or City or Departmental policy that has allegedly been violated, and the resolution desired. The City Manager or his or her designee shall review the grievance and issue a decision on it within ten (10) calendar days of its receipt.

### **Section 22.08 Suspension and Discharge Grievances Filed At Step Three**

In any grievance challenging any disciplinary suspension that involves loss of pay, or any discharge from employment, the Lodge shall have the right to file the initial grievance at Step Three.

### **Section 22.09 Lodge Representation**

The Lodge shall represent the interests of the bargaining unit members at all steps of the grievance process. Legal counsel shall not be present during the grievance process.

### **Section 22.10 Time Limits**

The time limits set out above shall be strictly enforced, unless one party submits a written request for an extension of time and the other party agrees to the requested extension in writing (including e-mail). All extensions of time shall be for a specific number of calendar days. Any grievance filed or appealed after time limits have expired shall be considered null and void, and no further action shall be taken with respect to that grievance.

## **Section 22.11 No Interruptions in Service**

Neither the Lodge, its officers, employees, agents, members or representatives, nor any employee covered by this Agreement, will authorize, instigate, aid, condone, participate in or engage in any strike, work stoppage, sickout, slowdown, boycott, picket line, or any other interruption or interference with the work of the Gladstone Police Department, including any sympathy strike.

In the event of the unauthorized activity proscribed above, the Lodge shall immediately take affirmative action to cause each and every employee covered by this Agreement to return to work and shall, among any and all other necessary or appropriate steps intended to cause each such employee to return to work, immediately:

- A. Notify the employees in person, by telephone, and/or by mail that such strike or other interruption of continuous service is unauthorized; and
- B. Promptly order its members to return to work.

The City shall have the right to proceed directly to court for a temporary restraining order, injunction, and any and all other legal and/or equitable relief for any alleged breach of this Article. The City shall not be required to first exhaust the grievance and arbitration provisions of this Agreement before proceeding directly to court when seeking to enforce the provisions of this Section 22.11.

The parties recognize the right of the City to take disciplinary action, including discharge, against any employee covered under this Agreement who participates in any activity in violation of this Section, whether such action is taken against all participants or only against selected participants. The parties recognize that the Union's designated representatives have an affirmative duty to prevent and cause the cessation of any activity which violates this Section.

## **Article XXIII. Arbitration**

### **Section 23.01 Appeal to Arbitration**

If a grievance regarding the application or interpretation of this Labor Agreement is not satisfactorily resolved at Step Three, the Lodge may appeal the grievance to binding arbitration by delivering a Notice of Intent to Arbitrate to the Human Resources Administrator within ten (10) calendar days after receiving the Step Three decision, or within fourteen (14) calendar days if the City Manager or his or her designee fails to issue a Step Three decision.

Matters appealed to arbitration shall not be addressed in any other forum. The grievance and arbitration provisions established herein shall be the sole avenue available for addressing any alleged violation of the terms of this Labor Agreement, including but not limited to determining whether the City had just cause for any discharge or discipline.

### **Section 23.02 Selection of the Arbitrator**

Within fourteen (14) calendar days after the Notice of Intent to Arbitrate is delivered, the party seeking arbitration shall submit a request for a sub-regional panel of seven (7) arbitrators to the Federal Mediation and Conciliation Service. Each party may reject a maximum of one list received from FMCS per grievance, and the party rejecting any list shall be responsible for obtaining a replacement list from FMCS. The parties shall alternately strike one name from the list, with the party seeking arbitration striking first. The last name remaining on the FMCS list shall be appointed to serve as the Arbitrator empowered to resolve the matter. The party requesting arbitration shall notify the selected arbitrator of his or her selection within seven (7) days after the date of selection, requesting dates within the next three months on which the arbitrator could be available to hold a hearing on the matter. Within seven days after receiving available hearing dates from the Arbitrator, the parties shall jointly select an agreeable hearing date.

### **Section 23.03 Decision of the Arbitrator**

The decision of the Arbitrator shall be subject to the following conditions:

- (a) The Arbitrator shall determine the procedural rules of arbitration and make such orders during the pendency of the proceeding as are necessary to enable the Arbitrator to act effectively.
- (b) In the resolution of the dispute, the Arbitrator shall give no weight or consideration to any matter except the language of the Agreement and policies at issue, applicable law, and the evidence presented by the parties.
- (c) The Arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement. The Arbitrator shall have no power to establish or change any wage rates.
- (d) The Arbitrator's authority shall be limited to resolving the particular grievance pending before him or her.

### **Section 23.05 Costs Shared Equally**

The costs of the Arbitrator shall be shared equally by the City and the Lodge. Each party shall otherwise bear its own costs.

## **Article XXIV. Labor Management Committee**

### **Section 24.01 Labor/Management Meetings**

There shall be a Labor/Management Committee consisting of two (2) representatives from Department management and two (2) representatives from the bargaining unit.

The Labor/Management Committee will strive to improve relationships between Labor and Management in all areas, and to ensure that this Agreement is properly administered at all times. The City and the Lodge shall appoint their respective representatives to this Committee within one month after this Agreement is signed by both parties. Those representatives shall meet promptly thereafter and shall set up a schedule of meetings.

### **Section 24.02 Labor/Management Committee Purpose**

The parties mutually acknowledge that the purpose of the Labor/Management Committee is to discuss topics of mutual interest on a cooperative basis. The Labor/Management Committee is not a forum for formal collective bargaining. The purpose of regular meetings shall include but is not limited to:

- (a) Dissemination of information.
- (b) Discussion of potential methods for improving any aspect of the Department's service, including efficiency of operations and overall working conditions. Any representative to the Committee may present topics for discussion during Committee meetings.
- (c) Review and discussion of any revisions or potential revisions to City or Departmental policies, work rules, or practices.
- (d) Clarifications as to the application or interpretation of this Agreement, policies, work rules, or practices, not the subject of an active grievance at the time.
- (e) Resolution of any dispute or problem involving any represented full-time employee or group of employees, on an informal, voluntary basis.

### **Section 24.03 Request for Meeting**

A request for a meeting of the Labor/Management Committee may be made by either party at any time. The Committee shall be convened within ten (10) calendar days after receipt of a written request by either party.

## **Article XXV. General Provisions**

### **Section 25.01 Uniforms and Equipment**

The City will provide all necessary uniforms and equipment to the appropriate members.

- (a) Employees shall not be required to respond to any hazardous situation without the proper clothing and equipment, all properly maintained and in good working order.
- (b) The City shall replace all Department-issued items, when no longer serviceable and as provided herein. All protective clothing, including but not limited to bullet resistant vests, helmets, and firearms shall meet the standards in effect at the time of purchase by the City, and shall be worn to all emergency incidents as required by Department policies.
- (c) Officers may choose to wear long or short sleeve shirts at their discretion.
- (d) Officers with twenty-five (25) or more years of service who are in good standing at the time of retirement from the police department shall be gifted their firearm by the department at the time of departure.

### **Section 25.02 Off-Duty Actions**

The City and the Lodge recognize that all commissioned personnel are presumed to be subject to call to duty twenty-four (24) hours per day. Any appropriate, lawful action, consistent with City and Departmental policy, taken by a commissioned officer on his or her time off, which could have been taken by an officer on duty, if present or available, shall be considered police action, and bargaining unit members shall have all the rights, obligations, and benefits concerning such action as if they were on active duty, to the maximum extent allowed under the City's workers' compensation policy.

### **Section 25.03 Policies to Be Available**

The City will make all policies that are applicable to employees covered under this agreement available to each employee in print or electronic format. Employees will be responsible for reading and complying with all such policies, and for asking questions about any area that is unclear to the individual employee.

### **Section 25.04 Outside Employment**

The City employs a full-time police force. Every employee covered under this agreement should consider City employment his or her "primary" job. Employees may hold other employment so long as the other employment does not create a conflict of interest with the employee's employment by the City, and does not interfere with the employee's ability to work as scheduled, or otherwise limit the employee's ability to perform his or her job. Employees desiring to hold other employment shall submit a written request to the Police Chief, identifying the other employment for consideration and approval.

### **Section 25.05 Release of Personal Information**

The City shall not release an employee's personal information, including name, date of birth, address, phone number, or other identifiable information to a third party (not including the Lodge) for any reason except with the employee's written consent, or when required for the performance of the employee's duties (e.g. to arrange for training), or as required by law.

### **Section 25.06 Uncompensated Work Prohibited**

Bargaining unit members shall not be required as a condition of employment to participate in any uncompensated work for any charity or any special interest group.

## **Article XXVI. Training**

### **Section 26.01 Pay for Training**

Training required by the Department shall be considered to be on-duty time, for which the employee will be compensated in accordance with the provisions set forth in this Agreement. All costs associated with required training shall be paid by the Department. Meal reimbursement and travel pay shall be provided in accordance with City policy.

### **Section 26.02 Return from Training**

Employees covered under this Agreement, who are attending external training, shall not be required to return to work, if there are fewer than four hours remaining in the shift, except in case of staffing shortage. Employees who elect not to return to work shall be paid for time spent in training, and may elect to use accrued comp time or vacation time to cover the remainder of their regularly scheduled hours, if they so desire.

## **Article XXVII. Complete Agreement**

### **Section 27.01 Zipper Clause**

The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set out in this Agreement. Therefore, the City and the Lodge, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, except as expressly provided for herein. Further, each party voluntarily and unqualifiedly waives the right and agrees that the other shall not be obligated to bargain collectively over any other subject during the life of this Agreement, even though such subjects or matters are not addressed herein, and may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. Should matters arise during the term of this Agreement that are appropriate subjects of collective bargaining, they shall be addressed under the Labor/Management process set out in Article XXIV.

**Section 27.02 Complete Agreement**

This Agreement constitutes the entire Agreement between the parties hereto and supersedes and replaces any and all obligations and/or agreements, whether written or oral, express or implied, between or concerning the parties. No amendment, modification, or addition to this Agreement shall be effective unless it is reduced to writing and signed by both parties. Individual agreements concerning training costs or signing incentives shall remain in effect.

**Section 27.03 Savings**

If any article or section of this Agreement shall be held invalid by operation of law or by any tribunal, the remainder of the Agreement shall not be affected thereby. The Parties shall enter into immediate collective bargaining for the purpose of arriving at a mutually satisfactory replacement for any article or section that has been held invalid.

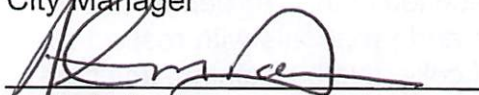

**Article XXVIII. Term of Agreement**

**Section 28.01 Effective Date**

This Agreement shall become effective upon ratification by the Union and adoption by the City Council and shall remain in effect through January 1, 2029. At least 60 days prior to expiration of this Agreement, either party may notify the other that they wish to meet and confer in a good-faith attempt to reach agreement on the terms of the renewal or replacement of this Agreement. In the event no notice is given, this Agreement will automatically renew for successive one (1) year periods. If notice is given, then the terms of this Agreement will remain in effect after the expiration date, until the parties either reach agreement on a renewal or replacement agreement, or until the parties reach a bargaining impasse.

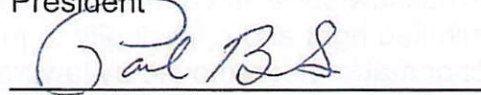

By signing below, the parties represent that this Agreement has been duly approved and ratified, and they agree to abide by its terms and conditions.
