The Mid America Council of Public Purchasing (MACPP) facilitates a cooperative purchasing process for government agencies and other member public sector organizations. The City of Independence managed the bid process for the 2014 model year police vehicles. The bid for Dodge Charger police vehicles was awarded to Landmark Dodge Chrysler Jeep, 1900 S. Noland Road, Independence, Missouri.

Captain Ken Buck contacted Larry Wilson, Fleet Manager at Landmark Dodge and informed him of our need for new police vehicles. Mr. Wilson provided a confirmation on the price for two 2014 Dodge Charger police cruisers, quoting \$22,645.00 each for a total cost of \$45,290.00.

Agenda Title:

Item No. 4 - Approval is recommended to enter into price agreements (251-14) with Dick Smith Ford, Diamond International Trucks, Landmark Dodge, Cable-Dahmer Chevrolet, Olathe Ford, Shawnee Mission Ford, KC Freightliner, MHC Kenworth, Westfall GMC Truck, Roberts Chevrolet Buick for various departments for the period November 1, 2013, through October 31, 2014, with two, one-year renewal options. Expenditures will not exceed budgeted amounts.

Recommendations:

Staff recommends approval to enter into price agreements.

Background:

The City of Independence acted as lead agency for the 2014 Mid America Council of Public Procurement (MACPP) Kansas City area cooperative vehicle bid. In addition to the City of Independence, ten (10) other agencies participated in the bid including City of Merriam, KS; City of Olathe, KS; Raytown, MO Police Department; City of Lee's Summit, MO; City of Raytown, MO; City of Kansas City, MO; Douglas County, KS; Jackson County, MO; Johnson County, KS; and Unified Government of Wyandotte Co./ Kansas City, KS.

On September 9, 2013, ten (10) bids were received for the purchase of 2014 model year vehicles. To enable participating agencies to purchase from the cooperative agreement, recommendation is made to award to all ten (10) bidders, all of whom met the minimum requirements of the bid.

Price agreements establish set prices that remain in effect for a period of time. This allows City departments to utilize the agreements in the performance of their operations without requiring separate bidding each time a service or commodity is required.

Because the actual amount of usage over the period of this price agreement is unknown, units of measure are not included in the bid tab, and there is no estimated project cost.

The bid tabulation is attached.

The ITB was posted as follows

1. Advertised in a Newspaper of Record in Independence.
2. Posted on the City's website.
3. Posted on the Public Notice Board within City Hall.
4. Direct notification by Public Purchase, the City's Internet-based, interactive, e-procurement system, to 674 potential suppliers, of which 72 downloaded the ITB.
