Re: Purchase of Fitness Equipment for the Gladstone Community Center

The FY 2015 Budget included provision for \$28,000 to purchase five treadmills for the Gladstone Community Center. Funding for this equipment is in the Community Center and Parks Tax Fund Account 202-8220-420-50-99. This equipment was requested to replace existing fitness equipment that was worn past useful service. We received three bids as follows:

Premier Picks, LLC dba Performance Fitness Equipment	\$26,700
2 nd Wind Fitness	\$31,450
SportsArt Fitness	32,176.75

Staff recommends that the bid be awarded to Premier Pick, LLC dba Performance Fitness Equipment. We have purchased equipment from this firm in the past and have been favorably impressed with the quality of equipment and the repair service that provides the warranty repairs for this manufacturer.

Please see me if you have any questions or concerns about this matter.

Re: Fitness Equipment Purchase

Three bids to provide replacement equipment of five treadmills were received and are below. This replacement equipment is needed as our current equipment is beginning to fail beyond repair after 7.5 years of use.

Performance Fitness Equipment
Blue Springs, MO 64015
816-830-4282
\$27,500 (\$26,700 with trade noted below)

2nd Wind Exercise, Inc.

St. Louis, MO 63143
\$31,450

SportsArt Fitness
19510 144th Ave. NE A-1
Woodinville, WA 98072
\$32,176.75

All pricing above includes delivery and installation. It is recommended that we purchased this equipment from Performance Fitness Equipment as all equipment meets specifications and this is the lowest bid. Additionally, Performance Fitness Equipment will take trade for \$800, the 5 current working treadmills and the 2 non-working units bringing the total bid to \$26,700. The other two bidders are not interested in the old equipment due to freight cost and not being local companies.
