RE: Final Pay, Project TP1404; 2014 Curb, Gutter and Sidewalk Program

Work has been completed on the referenced project and the contractor, Engineered Systems, LLC has made application for final pay. Staff has conducted a final inspection and determined the work to be completed in a satisfactory manner, in accordance with the specifications.

A financial breakdown is as follows:

Original Contract Amount:	\$ 196,258.94
Change Orders:	<u>15,796.67</u>
Revised Contract Amount:	\$ 212,055.61
Amount Paid to Date:	<u>201,452.83</u>

The change orders for this project resulted largely from the addition of new sidewalk and new trail at the Atkins-Johnson Farm to the scope of work.

Based on all available information, the receipt of required lien waivers and the acceptance of the performed work by our staff, I am recommending that this request for final pay be placed on the next regularly scheduled City Council agenda for approval. Funds for this project are provided for from the TST.
