RE: Final Pay, Project TP1506; 2014 Mill and Overlay Program

Work has been completed on the referenced project and the contractor, Superior Bowen Asphalt Co., LLC has made application for final pay. Staff has conducted a final inspection and determined the work to be completed in a satisfactory manner, in accordance with the specifications.

A financial breakdown is as follows:

Original Contract Amount:	\$ 560,487.40
Change Orders:	<u>(162,813.77)</u>
Revised Contract Amount:	\$ 397,673.63
Amount Paid to Date:	<u>397,173.63</u>
Total Amount Due Final Pay:	<u>\$ 500.00</u>

The Change Orders on this project resulted from the reduction of contract quantities to actual quantities installed per field measurement including asphalt base patch, surface asphalt, post-construction manhole adjustment, and paving fabric. Please note that the overlay of N. Tracy from Englewood Road to NE 58th Terrace was delayed to the summer of 2015 to allow Public Works crews to install a storm culvert under the roadway that will extend the life of the new pavement.

Based on all available information, the receipt of required lien waivers and the acceptance of the performed work by our staff, I am recommending that this request for final pay be placed on the next regularly scheduled City Council agenda for approval. Funds for this project are provided for from the TST.

If you have any questions or require additional information please contact me at your convenience.
