Re: Hose Washer Information

Director,

Here is the information you requested on the Hose Washer in Fire Division. I was unable to find any city asset number on it but was able to obtain the following information. The item is a Roto-Jet Fire Hose Washer that has a model number of RJT3 and a serial number of 2384.

Let me know if there is any additional information that you would need.

Thanks,

Acting Division Chief Sean Daugherty
