RE: Flail Mower Replacement

The Street Division is responsible for mowing several areas of right-of-way within the City. The current flail mower used for this purpose is in need of repair including new bearings, blades, and deck safety skirting.

Staff has reviewed the National Joint Powers Alliance (NJPA) for the purchase of the mower. Staff has determined that the NJPA awarded contract is the best way to move forward with the purchase. We recommend the purchase of the Land Pride 41 Series Flail Mower from Coleman Equipment as awarded by NJPA in the amount of \$6,383.00.

Staff requests that this amount be included in the equipment lease financing budgeted in the FY-16 General Fund.
