Re: PRISONER TRANSPORT VAN PURCHASE

The 2016 General Fund Budget authorizes the lease-purchase of a prisoner transport van for the Public Safety Department. Finance Director Debra Daily is making the financial arrangements for the purchase of this vehicle and associated equipment, as well as for other acquisitions expected in this budget year. Captain Willoughby researched the vehicle and equipment costs for the prisoner transport van, obtaining price quotes. The following is an itemized list with associated costs:

| | |
|---|--------------------|
| • Ford 350 Transit Van | \$28,177.00 |
| • Havis H-PTF06-120-03 Prisoner Transport insert & accessories including installation (see quote from 911 Custom) | 18,839.10 |
| • Emergency Lighting & Equipmnet (see quote from 911 Custom) | 4,583.40 |
| • Mobile Data Terminal & Accessories | 6,970.00 |
| • Graphics Installation | 800.10 |
| • Mobile Police Digital Radio (including installation & subscriber programming – see quote from Motorola) | <u>2,857.50</u> |
| Total Cost | \$62,227.10 |

The Mid-America Council of Public Purchasing (MACPP) facilitates a cooperative purchasing process for government agencies and other member public sector organizations and has awarded the contract for purchasing this type of vehicle to Dick Smith Ford in Raytown, Missouri. Utilizing the MACPP program complies with the City of Gladstone purchasing policy. I have requested a resolution for the purchase of a 2016 Ford Transit Van from Dick Smith Ford in Raytown, Missouri be placed on the September 14, 2015 regular City Council Meeting agenda. The other equipment required for this vehicle will be procured through the city's purchasing policy. The total purchase price for the 2016 Ford Transit Van is \$28,177.00.

Captain Willoughby has recommended the purchase of a 2016 Ford Transport Van from Dick Smith Ford in Raytown, Missouri. This vendor has the current contract for acquisition of this type of vehicle through the Mid-America Council of Public Procurement. Captain Willoughby has provided price quotes for the equipment and accessories required for the prisoner transport van. The vendor recommended for the procurement of equipment and accessories agreed to match the price quotes through the Government Services Administration (GSA) pricing program. Deputy Chief Baer provided a price quote for the mobile radio from Motorola, Inc. The City of Gladstone is authorized to purchase digital mobile radios at prices negotiated by the City of Kansas City Missouri through their contract with Motorola, Inc., which is the best pricing available.

I request this purchase be placed on the city council agenda at the earliest possible date to ensure no price increases occur. The in-car video system for this vehicle will be included in the scope of the replacement of the current in-car video systems and body-worn cameras project authorized in the 2016 Budget. This project is currently being advertised for bid and once all bids are received and analyzed, a recommendation will be forwarded to approve the purchase and installation of that equipment. Please advise if you have any questions.

Re: **Purchase Of Prisoner Transport Van**

This purpose of this memorandum is to outline the specifications and purchase of a Prisoner Transport van and the equipment to make the van operational.
Vehicle.

I recommend we purchase a 2016 Ford Transport Van from Dick Smith Ford in Raytown, Missouri. Dick Smith Ford is a member of the Mid-American Council of Procurement Chapter of the Institute for Public Procurement.

The van is described as a 2016 Black, Ford 350, Transit van, medium height with the 148-inch wheelbase. The van will have factory-installed front and rear HVAC. A sliding passenger door is the only option available for this model. The rear doors will be tinted windows. The van will have limited slip rear axle and heated short arm outside mirrors. The standard motor is a 3.7L V6. The 3.5 Ecoboost V6 motor is optional.

The breakdown of the cost for the van is as follows:

| | |
|--|---------------------|
| Ford 350 Transit Van before options- | \$20,974.00 |
| Options- | |
| Factory Installed Front & Rear A/C and Heating | \$1,085.00 |
| 3.5 Ecoboost V6 motor | \$1,664.00 |
| Rear and side door windows | \$134.00 |
| Tint for rear cargo doors | \$350.00 |
| Transit 350 Med Roof Sliding Pass 148" WB | \$3,424.00 |
| Shadow Black Paint | \$129.00 |
| Limited Slip Rear Axle | \$284.00 |
| Heated Short Arm Outside Mirrors | <u>\$133.00</u> |
| Total | \$ 28,177.00 |

Prisoner Housing Insert

I recommend the purchase of a Havis, H-PTF06-120-03 Prisoner Transport Insert. This insert has three compartments, two compartments accessible by entering the back of the van that are separated by a wire barrier and one compartment located on the passenger side, accessible by the sliding passenger door. I also recommend the following options:

H-PT-F06-120-03 Prisoner Transport Insert
Flip Down Step
Seat Belts- 10 total
Ford PT Vent Adapter Kit
PT Locking Under Bench Storage
Camera windows 3 total
Console w/ vehicle mount
Console Arm Acry
Console accessory
Four Piece Front and Rear mounting bracket
Rear and Side-loading lights with brackets 2 total

I have received the following bids for the Havis Insert, accessories and installation:

Installation of graphics at their facility

Total \$800.10

Based on the bids submitted, the cost for the purchase and installation of the Havis Insert in the Prisoner Transport Van,

911 Custom submitted the lowest bid at \$18, 839. 10.

Ka-Comm, Inc submitted the lowest bid for the purchase of the emergency lighting package.

Their bid was \$4, 453.52. 911 Custom submitted a bid of \$4,583.40. This bid is \$129.88 higher than Ka Comm, Inc. 911 Custom bid Whelan products, whereas Ka-Comm, Inc installs Code Three and Federal products. We currently have Whelan products in our patrol vehicles. I recommend we continue to use Whelan for the consistency in operation of equipment for the slight increase in price.

The total purchase for the 2016 Ford Transit Van with insert, emergency lighting, and decals is:
\$52,399.60

The total including the Mobile Data Terminal with mounting accessories and licenses \$59,369.60
The total including cost of the forward and *rear facing recording system. \$66,369.60

*This price is for one rear-facing camera; additional cameras are \$500.00 each.
