Re: POLICE VEHICLE PURCHASE – DODGE CHARGERS

The 2016 General Fund Budget authorized \$65,000.00 for the purchase of two new police vehicles and equipment. The Mid America Council of Public Procurement (MACPP) facilitates a cooperative purchasing process for government agencies and other member public sector organizations. MACPP utilizes a competitive bid procedure that ensures the best prices for procuring equipment and vehicles, including police vehicles. The City of Independence managed the bid process for the 2015 - 2016 model year police vehicles. The bid for Dodge Charger police vehicles was awarded to Landmark Dodge Chrysler Jeep, 1900 S. Noland Road, Independence, Missouri.

Captain Bill Willoughby contacted Larry Wilson, Fleet Manager at Landmark Dodge and obtained a bid for two Dodge Charger police vehicles under the MACPP bid pricing structure. Mr. Wilson provided a confirmation on the MACPP bid price for two 2016 Dodge Charger police cruisers, quoting \$25,694.00 each, for a total cost of \$51,388.00.

A resolution authorizing the purchase of two (2) 2016 Dodge Charger police cruisers has been placed on the agenda for the City Council Meeting on Monday, September 14th, 2015. Funds for this purchase was included in the 2016 General Fund Budget

Once the vehicles are delivered, installation of the consoles, police radios, computers, radar units, and application of the police decals/markings will be arranged. Please advise if you have any questions.

Re: Department Vehicle Purchases

I have researched the purchase of two new Ford Explorers and two new Dodge Charger patrol vehicles.

The City of Gladstone Purchasing, Procurement Card, Accounts Payable Policy states in section IV, E that the process of competitive quotes and bids may be waived when it is advantageous to purchase through purchasing contract of other governmental agencies.

There are two existing government-purchasing contracts available for the purchase of police vehicles. The Mid America Council of Public Procurement (MACPP) and the Missouri Highway Patrol Vehicle Bid. I have priced the desired vehicles through both programs.

The dealership for the Missouri Highway Patrol Bid for the Dodge Chargers is Lou Fusz Dodge located in O' Fallon, Missouri, and the bid submitted was for the 2015 Dodge Charger with a price of \$25,523.00 per vehicle, for a total of \$51,046.00. The dealership for MACPP Bid is Landmark Dodge, which is located in Independence, Missouri; and the bid they submitted was for the 2016 Dodge Charger at \$25,694.00 per vehicle for a total of \$51,388.00.

The dealership for the Missouri State Highway Patrol Bid for the Ford Explorer is Joe Machens Capital City Ford, which is located in Jefferson City, Missouri. The bid they submitted is for the 2016 Ford Explorer is \$27,059.00 per vehicle for a total of \$54,118.00. The MACPP dealership for the Ford is Dick Smith Ford, which is located in Raytown, Missouri. The bid they submitted is \$25,986.00 each for a total of \$51,927.00.

I recommend we purchase the Dodge Chargers from Landmark Dodge in Independence, Missouri. Although the total price is \$342.00 higher, the bid is for the newer 2016 model as opposed to the bid for the 2015 model submitted by Lou Fusz Dodge. In addition to the benefit of purchasing a newer model, we have worked with Landmark Dodge Service Department in the past and have received good service. The delivery time is estimated to be 12 to 16 weeks.

I recommend we purchase the Ford Explorers from Dick Smith Ford in Raytown, Missouri. The total bid they submitted for two vehicles is 51,927.00, which is \$2191.00 less than the bid submitted by Joe Machens Capital City Ford. The estimated delivery time is 12 to 14 weeks.
