Re: CARDIAC MONITOR PURCHASE

The 2017 General Fund Budget authorized \$33,980.00 for the purchase of a new cardiac monitor for our ambulance service. In 2015, Battalion Chief Michael Desautels facilitated testing and review of cardiac monitors from various manufacturers and vendors by paramedics in the Fire/EMS Division of the Public Safety Department. After this evaluation, a recommendation was made to purchase the cardiac monitor manufactured by Zoll Medical Corporation and one cardiac monitor was purchased in the fall of 2015 (this item was approved in the FY 2016 Budget).

Due to its superior performance, it is recommended we purchase a cardiac monitor manufactured by Zoll. The justification for this recommendation is detailed in the attached memorandum prepared by Division Chief Sean Daugherty.

Fire Captain Tracey Cheney obtained price quotes from two cardiac monitor manufacturers with similar specified features: Zoll "X Series Manual Monitor/Defibrillator" (\$28,979.16); Philips "Heartstart MRX ALS Monitor" (\$17,859.35). She attempted to obtain a price quote for a Physio-Control for a "LP-15 v4 Monitor/Defibrillator," however she received no response for a request from the local dealer. Although the price quote of the cardiac monitor manufactured by Zoll Medical Corporation is greater than the monitor manufactured by Philips, the machine has more robust features with superior capabilities and is more compatible with other medical equipment utilized by our ambulance service. Also, our department already has a Zoll "X Series Manual Monitor/Defibrillator" in service and the performance has met expectations. I agree with the recommendation to proceed with the purchase of the cardiac monitor manufactured by Zoll Medical Corporation with features specified in the price quote.

A resolution authorizing the purchase of one (1) Zoll "X-Series Manual Monitor/Defibrillator" for the total purchase price of \$28,979.16 has been included on the agenda for the Monday, August 22, 2016 City Council Meeting. Please advise if you have any questions.

From: Division Chief Sean Daugherty

Re: Purchase of Cardiac Monitor

Sir,

The FY17 budget includes the purchase of new cardiac monitor as a capital expenditure for the Fire/EMS Division in Public Safety. In preparation for the purchase I reached out to three different cardiac monitor vendors. One of the vendors, Physio Control, never responded back for a quote or trial. The paramedics evaluated a Phillips cardiac monitor for a month trial period. Zoll was the third vendor and crews were familiar with the monitor from the purchase of one last year. The preference was to stay with Zoll as their equipment and service has been premier.

- Cardiac monitor is small and lightweight compared to Phillips and Physio Control.
- Zoll monitor has the feature of live 12-lead monitoring for analysis.
- We have one Zoll monitor in service that was purchased in the FY16 capital budget and it has worked well with the ability to send EKG's to the hospital and to the printer at either station.

The bids obtained from the three (2) most reputable manufacturers of pre-hospital cardiac monitoring equipment are:

Phillips-\$35,718.70-Their quote reflects the price of a total of two (2) for this price.

Zoll-\$28,979.16

Physio-After several attempts to acquire a price on a Physio Life Pack 15 I never received any return correspondence.

The Zoll monitor has been in our system for the past year and is very well liked and used. Their bid with trade-in is below budgeted amount for this capital purchase.

It is my recommendation that we purchase the Zoll monitor due to its capabilities and the fact that we purchased the same model last year and it has worked and operated well. I would request that the purchase of the monitor be placed on the earliest City Council agenda.

Respectfully,

A handwritten signature in cursive script, reading "Sean Daugherty". The signature is written in dark ink and is positioned above the printed name.
