RE: SURPLUS CITY PROPERTY – CITY COUNCIL RESOLUTION

Attached is a proposed resolution authorizing you to dispose of surplus property through online auction and/or sealed bid. Attached to the resolution are Exhibits "A" and "B" detailing property recommended to be declared "*surplus*." The list includes three (3) vehicles, self-contained breathing apparatus (SCBA), and other related equipment utilized for fire suppression. The SCBAs and related equipment was replaced with new equipment (SCBAs, air tanks, etc.) purchased with funds received from a federal grant awarded to the department in 2016.

If revenue is generated from the sale of these items, gains received will be placed back into funds where their purchase originated. Any gains received from the sale of items listed in Exhibit "A" will be placed in the General Fund with the exception of any gains generated from the sale of the 2013 Ford Explorer (Asset #1461). Any gains received from the sale of the Ford Explorer will be placed in the Public Safety Sales Tax (PSST) Fund.

Any gains received from the sale of items listed in Exhibit "B" will be placed in the General Fund. The items listed in Exhibit "B" were purchased with a grant from the federal government along with the required "matching" money from the General Fund.

I request the resolution declaring the listed vehicles and equipment "*surplus property*" and authorizing you to dispose of the property through online auction or sealed bids, be placed on the May 22, 2017 City Council Meeting Agenda. Please advise if you have any questions or require additional information.

RE: SCBA Surplus

Director Hasty,

With the purchase of the new SCBA's the Scott SCBA's are now out of service and available for surplus. I have attached with this memo a list of the surplus harnesses, bottles and masks, and amplifiers. The bottles have or all close to reaching their "end of life" of 15 years. It would be my recommendation that we offer the lot for bid.

Respectfully,

Fire Division Chief

Sean Daugherty
