RE: FY-17 Asphalt Roller Purchase

Municipalities often use joint bids when purchasing specialty equipment. After reviewing the different options, the National Joint Powers Alliance (NJPA) appears to be the City's best option. The City is a member of the NJPA and staff has used this program in the past for City purchases.

After reviewing the NJPA contracts for asphalt rollers, it is the recommendation of the Department of Public Works to accept the bid of Victor L. Phillips, Company for an asphalt roller for the purchase amount of \$30,533.00.

The current asphalt roller, asset number 1151, will be sold at auction at a later date.

Funds for this purchase are budgeted in the CWSS Fund.
