RE: 2017-2018 Salt Bid

The City of Gladstone recently solicited bids for a cooperative salt contract. The Clay County Highway Department, the City of Liberty, and the City of North Kansas City participated in the request for bids. With additional entities, the amount of salt requested increases and subsequently is less expensive than each entity alone. Requests for bids were sent to five (5) suppliers and three (3) suppliers submitted a bid.

Bids are as follows:

Company	7-day Delivery	24-hour Delivery
Hutchinson Salt Company	\$50.40	No bid
Independent Salt Company	\$52.12	No bid
Compass Minerals	\$112.14	\$112.14

Public Works staff has determined that the bid from Hutchinson Salt Company in the amount of \$50.40 per ton is the lowest and best bid received. The City's current contract, which expired at the end of July, was with Hutchison Salt Company in the amount of \$52.70 per ton.

The request for bid specified up to 3,000 tons of material. The City retains the right to purchase more or less depending on the severity of the winter.
