RE: POLICE VEHICLE PURCHASE

Three new police vehicles were authorized for purchase in the FY 2018 Budget; \$33,000.00 is budgeted in the General Fund and \$66,000.00 in the Public Safety Sales Tax (PSST) Fund. Sergeant Bill Brier researched competitive bids for police vehicles through the Mid America Council of Public Procurement (MACPP) and determined the bid for Ford Police Interceptor Utility vehicles (equipped as specified by the Public Safety Department) submitted by Shawnee Mission Ford (11501 Shawnee Mission Parkway, P.O. Box 3179, Shawnee, Kansas, 66203-0179) offers the lowest cost to the City.

MACPP utilizes a competitive bid process to ensure the best prices for procuring equipment and vehicles, including police vehicles. Johnson County Kansas managed the process for 2016-2017 model year police vehicles. Sergeant Brier contacted Jay Cooper, Government Fleet Sales Manager at Shawnee Mission Ford, who advised the dealership will honor the price quotes provided for the 2017 model year on the 2018 models. Mr. Cooper furnished a quote for 2018 Ford Police Interceptor Utility vehicles of \$27,597.00 for each vehicle (attached), for a total cost of \$82,791.00.

A resolution authorizing the purchase of three (3) Ford Police Interceptor utility vehicles from Shawnee Mission Ford will be placed on the City Council Meeting Agenda for Monday, September 25, 2017. Once the vehicles are delivered, installation of the consoles, police radios, computers, radar units, and application of the police decals/markings will be arranged. Please advise if you have any questions.
