

RESOLUTION NO. R-18-42

A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH HOCKENBERG'S EQUIPMENT AND SUPPLY, IN THE TOTAL AMOUNT NOT TO EXCEED \$400,000.00 FOR 502 NORTHEAST 70TH STREET, PROJECT CD1860A.

WHEREAS, one proposal was received for the Summit Grill Kitchen Equipment Project CD1860A, and the proposal of Hockenberg's Equipment and Supply in the amount of \$400,000.00 has been determined by the Assistant City Manager to be the lowest and best proposal.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF GLADSTONE, MISSOURI, AS FOLLOWS:

THAT, the City Manager of the City of Gladstone, Missouri, is hereby authorized to execute a contract with Hockenberg's Equipment and Supply for work as outlined in the contract for a total amount not to exceed \$400,000.00.

FURTHER, THAT, funds for such purpose are authorized from the Capital Equipment Replacement Fund.

INTRODUCED, READ, PASSED, AND ADOPTED BY THE COUNCIL OF THE CITY OF GLADSTONE, MISSOURI, THIS 29TH DAY OF MAY 2018.

Mayor Bill Garnos

Meeting Date Requested: 05/29/18

Public Hearing: Yes Date: [Click here to enter a date.](#)

Subject: A Resolution authorizing the City Manager to execute a contract with Hockenberg's Equipment and Supply, in the amount not to exceed \$400,000.00 for Project CD1860A.

Background: The City of Gladstone and Summit Grill have entered into a lease agreement to occupy the vacant retail space located at 502 NE 70th Street, Gladstone, MO 64118. As part of the architectural specifications and through the competitive bid process, Hockenberg's Equipment and Supply was selected as the vendor for the kitchen equipment package. This expenditure has been included as a secondary project to CD1860 to capture savings in overhead and sales tax exemption.

Budget Discussion: Funds are budgeted from the CERF fund. Ongoing costs are estimated to be \$ 0 annually. Previous years' funding was \$0

AGREEMENT

THIS AGREEMENT, made and entered into this 20 day of June, 2018, (the "Effective Date") by TriMark Hockenbergs (hereinafter "Contractor") and the City of Gladstone, Missouri (hereinafter "City").

WHEREAS, the City desires to engage the Contractor to provide services to the City as more fully described in the Contractor's proposal dated May 24, 2018 (hereinafter referred to as the "Project Services") attached hereto as Exhibit A and incorporated herein by reference.

NOW, THEREFORE, in consideration of the compensation to be paid to the Contractor and of the mutual agreement herein contained, the parties to these presents have agreed and hereby agree, the City for itself and its successors, and the Contractor for itself, himself, or themselves, or its, his or their successors and assigns, or its, his or their executors and administrators, as follows:

SECTION 1. Term of Agreement. This Agreement shall begin as of the Effective Date. The Contractor shall complete the Project Services no later than October 15, 2018, unless otherwise extended or terminated as provided herein.

SECTION 2. Scope of Services. The Contractor shall provide the Project Services described in Exhibit A. The Contractor will hire, train, supervise, direct the work of, and discharge all personnel engaged by them to perform the Project Services. The Contractor is solely responsible for payment of wages, salaries, fringe benefits and other compensation of, or claimed by, the Contractor's personnel in the performance of the Project Services, including, without limitation, contributions to any employee benefit plans and all payroll taxes.

The Contractor will utilize the personal services of its staff to deliver the Project Services. The Contractor may also engage third-party contractors and other parties in connection with its performance of the Project Services, subject to prior approval by the City.

SECTION 3. Payment. The Owner hereby agrees to pay the Contractor, for the Project Services, the sum not to exceed \$398,907.00 unless authorized by the City pursuant to a change order approved by the City in accordance with applicable City ordinance requirements. The City will pay all proper invoices within thirty (30) days of receipt. The following establishes the invoice procedure:

1. All invoices shall contain a narrative entry sufficient to describe the work or task performed and an indication of the person and job classification who performed the work.
2. Time shall be billed in quarter hour increments.

SECTION 4. Prevailing Wages. The Contractor shall comply with all laws regarding the payment of prevailing wages to employees of the Contractor or subcontractor, if applicable. Contractor shall indemnify the City for any damage resulting to the City from failure of either the Contractor or any subcontractor to pay prevailing wages pursuant to applicable laws.

SECTION 5. Construction Safety Training.

- A. The Contractor shall provide a ten (10) hour Occupational Safety and Health Administration (OSHA) construction safety program for all employees who will be on-site at the project. The construction safety program shall include a course in construction safety and health that is approved by OSHA or a similar program approved by the Missouri Department of Labor and Industrial Relations that is at least as stringent as an approved OSHA program as required by Section 292.675, RSMo.
- B. If any on-site employees have not previously completed a construction safety program, Contractor shall require those on-site employees to complete a construction safety program within sixty (60) days after the date work on the project commences.

- C. The Contractor acknowledges and agrees that any of Contractor's employees found on the project site without documentation of the successful completion of a construction safety program shall be required to produce such documentation within twenty (20) days or will be subject to removal from the project.
- D. The Contractor shall require all of its subcontractors to comply with the requirements of this Section and Section 292.675, RSMo.

SECTION 6. Notice of Penalty Provisions

- A. Pursuant to Section 292.675, RSMo, Contractor shall forfeit to City as a penalty two thousand five hundred dollars (\$2,500), plus one hundred dollars (\$100) for each on-site employee employed by Contractor or its subcontractor, for each calendar day, or portion thereof, such on-site employee is employed without the construction safety training required in Section 5 above.
- B. The penalty described in Subsection A of this Section shall not begin to accrue until the time periods described in Sections 5B and 5C above have elapsed.
- C. Violations of Section 5 above and imposition of the penalty described in this Section shall be investigated and determined by the Missouri Department of Labor and Industrial Relations.

SECTION 7. Unauthorized Aliens. Pursuant to 285.530(1), RSMo., by its sworn affidavit in substantially the form attached hereto as Exhibit B and incorporated herein, Contractor hereby affirms its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Furthermore, Contractor affirms that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

SECTION 8. Insurance Requirements.

- A. General Provisions. Contractor shall file (by the Effective Date) with the City evidence of liability insurance that is consistent with the amounts set forth below, and shall maintain such insurance until this contract is terminated.
- B. Limits and Coverage.
 - 1. Commercial General Liability Insurance: Commercial General Liability Coverage in an aggregate amount of not less than the limit on liability pursuant to Section 537.610 RSMo for all claims arising out of a single accident or occurrence and \$1,000,000 for any one person in a single accident of occurrence.
 - a. The following endorsements shall attach to the policy:
 - (i) The policy shall cover personal injury as well as bodily injury.
 - (ii) The policy shall cover blanket contractual liability subject to the standard universal exclusions of contractual liability included in the carrier's standard endorsement as to bodily injuries, personal injuries and property damage.
 - (iii) Broad form property damage liability shall be afforded.
 - (iv) The City shall be listed as an additional insured.
- C. Workers' Compensation Insurance: The Contractor shall obtain and maintain Workers' Compensation Insurance for a limit of \$500,000 for all of their respective employees, and in case any work is sublet, the Contractor shall require any subcontractors to provide Workers' Compensation insurance for all subcontractors' employees, in compliance with Missouri law. The Contractor hereby indemnifies the City for any damage resulting to it from failure of either the Contractor or any contractor or subcontractor to obtain

and maintain such insurance.

- D. Commercial Automobile Liability Insurance: Contractor shall obtain and keep in force commercial automobile liability insurance with a minimum combined single limit of \$100,000, covering scheduled automobiles. The insurance will be written on a Commercial Business Auto form, or an acceptable equivalent, and will protect against claims arising out of the operation of motor vehicles, as to acts done in connection with this Agreement, by the Contractor or subcontractor. The minimum limits for commercial automobile liability insurance may be satisfied by maintaining excess/umbrella liability coverage in an amount sufficient to meet the minimum limits.

SECTION 9. Labor and Materials Payment Bond

- A. Labor and Materials Payment Bond. Prior to commencement of construction, Contractor shall furnish a labor and materials payment bond in a form acceptable to the City Attorney, in an amount equal to 100% of the total cost of completing the Work, as determined by the City, conditioned upon the payment for all labor and materials suppliers. Copies of certifications of such bond shall be delivered to the City prior to the commencement of construction.

SECTION 10. General Conditions

- A. Compliance with Laws and Safety Regulations. Contractor shall comply with all federal, state, and local laws, ordinances, and regulations applicable to the Project Services. Contractor shall secure all licenses, permits, etc. from public and private sources necessary for the fulfillment of its obligations under this Agreement. In the performance of the Project Services, Contractor shall comply with the applicable provisions of the Federal Occupational Safety and Health Act, as well as any other pertinent federal, state and/or local safety or environmental laws or regulations.

Contractor shall obtain and maintain an occupational or business license with the City, if required by city code and any required state or federal license. The cost for this occupational license shall be borne by the Contractor.

- B. Contractor's responsibility for subcontractors. The Contractor shall be as fully responsible to the City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons it directly employs. Contractor shall cause appropriate provisions to be inserted in all subcontracts relating to this work, to bind all subcontractors to Contractor by all the terms herein set forth, and insofar as applicable to the work of subcontractors and to give Contractor the same power regarding termination of any subcontract as the City may exercise over Contractor under any provisions of this contract. Nothing contained in this contract shall create any contractual relation between the subcontractor and the City or between any subcontractors.
- C. General Independent Contractor Clause. This agreement does not create an employee/employer relationship between the parties. It is the parties' intention that the Contractor will be an independent contractor and not the City's employee for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, Missouri Revenue and Taxation laws, Missouri Workers' Compensation and Unemployment Insurance laws.

- D. Liquidated Damages. Time of completion of work by the Contractor is of the essence. Should Contractor, or in the case of default, the surety, fail to complete the work within the time specified in this contract, Contractor (or surety) shall be liable to the City in the amount of \$100.00 per day for each and every calendar day that the contract remains uncompleted after the time allowed for completion, as liquidated damages, and not as a penalty, it being stipulated that actual damages to the City and the public arising from Contractor's failure to timely complete the work would be difficult, if not impossible, to ascertain. The amount assessed as liquidated damages may be withheld from any moneys otherwise due to Contractor from the City.

E. Termination. The City shall have the right at anytime by written notice to Contractor to terminate and cancel this contract, without cause, for the convenience of the City, and Contractor shall immediately stop work. In such event City shall not be liable to Contractor except for payment for actual work performed prior to such notice in an amount proportionate to the completed contract price and for the actual costs of preparations made by Contractor for the performance of the cancelled portions of the contract, including a reasonable allowance of profit applicable to the actual work performed and such preparations. Anticipatory profits and consequential damages shall not be recoverable by Contractor.

The City reserves the right to terminate this contract by giving at least five (5) days prior written notice to the Contractor, without prejudice to any other rights or remedies of the City should the Contractor be adjudged a bankrupt, or if Contractor should make a general assignment for the benefit of its creditors, or if a receiver should be appointed for Contractor or for any of its property, or if Contractor should persistently or repeatedly refuse or fail to supply enough properly skilled workmen or proper material, or if Contractor should refuse or fail to make prompt payment to any person supplying labor or materials for the work under the contract, or persistently disregard instructions of the City or fail to observe or perform any provisions of the contract.

F. City's Right to Proceed. In the event this contract is terminated pursuant to Paragraph E above, then the City may take over the work and prosecute the same to completion, by contract or otherwise, and Contractor and its sureties shall be liable to the City for any costs over the amount of this contract thereby occasioned by the City. In any such case, the City may take possession of, and utilize in completing the work, such materials, appliances and structures as may be on the work site and are necessary for completion of the work. The foregoing provisions are in addition to, and not in limitation of, the rights of the City under any other provisions of the contract, city ordinances, and state and federal laws.

G. Liability.

1. In no event shall the City be liable to the Contractor for special, indirect, or consequential damages, except those caused by the City's gross negligence or willful or wanton misconduct arising out of or in any way connected with a breach of this contract. The maximum liability of the City shall be limited to the amount of money to be paid or received by the Contractor under this contract.
2. The Contractor shall defend, indemnify and save harmless the City, its elected or appointed officials, agents and employees from and against any and all liability, suits, damages, costs (including attorney fees), losses, outlays and expenses from claims in any manner caused by, or allegedly caused by, or arising out of, or connected with, this contract, or the work or any subcontract thereunder (the Contractor hereby assuming full responsibility for relations with subcontractors), including, but not limited to, claims for personal injuries, death, property damage, or for damages from the award of this contract to Contractor, notwithstanding any possible negligence, whether sole or concurrent, on the part of the City, its officials, agents and employees.
3. The Contractor shall indemnify and hold the City harmless from all wages or overtime compensation due any employees in rendering services pursuant to this agreement or any subcontract, including payment of reasonable attorneys' fees and costs in the defense of any claim made under the Fair Labor Standards Act, the Missouri Prevailing Wage Law or any other federal or state law.
4. The indemnification obligations of Contractor hereunder shall not be limited by any limitations as to the amount or type of damages, compensation or benefits payable by or for the Contractor, under any federal or state law, to any person asserting the claim against City, its elected or appointed officials, agents and employees, for which indemnification is sought.
5. The indemnification obligations herein shall not negate, abridge or reduce in any way any additional indemnification rights of the City, its elected or appointed officials, agents and employees, which are otherwise available under statute, or in law or equity.

6. Contractor affirms that it has had the opportunity to recover the costs of the liability insurance required in this agreement in its contract price. Contractor's obligation under this agreement to defend, indemnify, and hold harmless any person from that person's own negligence or wrongdoing is limited to the coverage and limits of the applicable insurance required of the Contractor under this agreement.

H. Conflict of Interest. In accepting this contract, Contractor certifies that no member or officer of its firm or corporation is an officer or employee of the City of Gladstone, Missouri, or any of its boards or agencies, and further that no officer or employee of the City has any financial interest, direct or indirect, in this contract. All applicable federal regulations and provisions of Section 105.450 et seq., RSMo., shall not be violated.

I. Assignment. The Contractor shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation), without prior written consent of the City thereto, provided, however, that claims for money due or to become due to the Contractor from the City under this Contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of such assignment or transfer shall be furnished in writing promptly to the City and the bond surety. Any such assignment is expressly subject to all rights and remedies of the City under this agreement, including the right to change or delete activities from the Contract or to terminate the same as provided herein, and no such assignment shall require the City to give any notice to any such assignee of any actions which the City may take under this agreement.

J. Nondiscrimination. The Contractor agrees in the performance of this contract not to discriminate on the grounds or because of race, creed, color, national origin or ancestry, sex, religion, handicap, age, or political opinion or affiliation, against any employee of Contractor or applicant for employment and shall include a similar provision in all subcontracts let or awarded hereunder.

K. Nonresident/Foreign Contractors. The Contractor shall procure and maintain during the life of this contract:

1. If the Contractor is a foreign corporation, a certificate of authority to transact business in the State of Missouri from the Secretary of State, unless exempt pursuant to the provisions of Section 351.570, RSMo.
2. A certificate from the Missouri Director of Revenue evidencing compliance with the transient employer financial assurance law, unless exempt pursuant to the provisions of Section 285.230, RSMo.

L. Notices. Any notice, approval or other communication between the City and the Contractor pursuant to this Agreement shall be made in writing and shall be deemed to be effective upon receipt or refusal of service and may be given by personal delivery, courier, reliable overnight delivery or deposit in the United States mail, postage prepaid, registered or certified, return receipt requested, to the address specified below or to such other address as may later be designated by written notice of the other party:

Nothing contained in this section shall be construed to restrict the transmission of routine communications between representatives of the City and the Contractor.

- M. Entire Agreement. This agreement contains the entire agreement of the parties. No modification, amendment, or waiver of any of the provisions of this agreement shall be effective unless in writing specifically referring hereto, and signed by both parties.
- N. Jurisdiction. This agreement and every question arising hereunder shall be construed or determined according to the laws of the State of Missouri. Should any part of this agreement be adjudicated, venue shall be proper only in the Circuit Court of Clay County, Missouri.

IN WITNESS WHEREOF, the Contractor and the City have executed this Agreement as of the Effective Date.

All plumbing and electrical rough-ins and/or final connections are by others unless specifically contracted for under a separate cover.

Certain equipment items may require inter-plumbing or inter-wiring connections within the equipment, this work is to be performed by a licensed plumber and/or licensed electrician, some connections may require factory authorized supervision/technician-failure to use a factory authorized agent may void the warranty, calibration/adjustment of equipment is not covered under warranty unless specifically contracted for.

NOT INCLUDED, incandescent light bulbs and/or fluorescent light bulbs-shall be provided and installed by an electrician

NOT INCLUDED, final cleaning and sanitizing of equipment is the responsibility of the owner and/or owners agent unless specifically contracted for under a separate cover.

Quoted installation price is for equipment purchased through Hockenbergs only. Hockenbergs is not responsible for the delivery or installation of equipment purchased from others.

Installation does not include dumpster for discarding of crating. Quotation is based upon job site being ready at start of installation.

Custom fabricated item(s) are not returnable. Buy-out item(s) are returnable less the manufacturer's re-stocking fee, freight and any damage that may be incurred. The returned item(s) must be new and unused.

Standard Contract Terms & Conditions

All quotations are subject to approval by the company. The above listed prices shall be firm for 30 days. Prices shown in this quotation are for specific items, quantities, and lead times indicated.

Prices are subject to change if all of the items are not ordered, if quantities ordered differ, or if adequate lead-time is not allowed.

The prices shown in this quotation DO/DO NOT include freight charges which will be added to our invoice. This quotation does not include any fees for local permits or licenses that may be required by your municipality or state.

The prices shown in this quotation DO/DO NOT include applicable taxes, which will be added to our invoice unless a valid certificate of exemption is provided by you. Please be advised that, under state law, some items may still be taxable. In states where TriMark Hockenbergs is not registered to collect Sales Tax, it is the buyer's responsibility to pay any applicable Use Tax due to the state.

Payment terms are 50% due at time of order and 50% due prior to delivery. We impose a surcharge on credit cards that is not greater than our cost of acceptance. Please be advised that a 1.5% per month FINANCE CHARGE will begin to accrue upon expiration of the above payment terms. This will amount to 18% annually.

It is our understanding that you are requesting delivery of the items on this order during the week of {T.B.D.} if this date is not correct or is missing, please provide us with a scheduled delivery date _____. If an alternative date is not provided, the date specified above is considered confirmed. In the event that the delivery date is delayed by you, or any party other than TriMark Hockenbergs, for more than two (2) weeks from the agreed upon date, you hereby agree that TriMark Hockenbergs will bill you for "stored materials".

You also agree that any payments originally due "upon delivery" will become immediately due and payable. For valuable consideration, receipt of which is hereby acknowledged, you hereby grant to TriMark Hockenbergs a security interest in the equipment described herein and any and all additions and accessories thereto, to secure payment of the total debt and any and all other obligations to TriMark Hockenbergs under this agreement. The security interest created hereby shall terminate when obligations have been paid in full.

You hereby authorize TriMark Hockenbergs to file any UCC financing statement that it deems necessary to perfect its security interest.

On capital purchases, we require a perfected security interest in the goods until they have been paid for in full. TriMark Hockenbergs will handle all of the necessary U.C.C. filings and pay for any costs associated with these filings. Upon failure of you to promptly pay or perform any of the obligations or any covenants contained or referred to herein, TriMark Hockenbergs may, at its option, declare all of the obligations immediately due and payable and then shall have all of the remedies of a secured party under the Uniform Commercial Code of the state where the equipment is located. Such remedies shall include, but are not limited to, the right to take possession of the equipment. Expenses related to repossessing, holding, repairing, or reselling the equipment, including any collection costs, reasonable attorney's fees and legal expenses, shall be the responsibility of the buyer.

No warranty of merchantability or fitness for a particular purpose, or other warranty, express, implied or statutory, nor any affirmation of fact or promise is made by Seller with respect to the goods which are sold pursuant hereto.

TRIMARK HOCKENBERGS SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL LOSSES, DAMAGES OR EXPENSES, DIRECTLY OR INDIRECTLY ARISING FROM THE SALE, HANDLING OR USE OF THE GOODS, OR FROM ANY OTHER CAUSE RELATING THERETO. TriMark Hockenbergs' liability hereunder and Buyer's exclusive remedy hereunder is expressly limited to the replacement (in the form originally shipped) of goods not complying with this Agreement or, at TriMark Hockenbergs' election, to credit Buyer with an amount equal to the purchase price of such goods, whether claims are for breach of warranty, negligence or otherwise. If you are in agreement with the aforementioned terms, prices, specifications and conditions, please sign a copy of this contract and return it to the undersigned at our offices, accompanied by any required advance payment.

Thank you for the opportunity to offer our quotation. We look forward to receiving your valued order.
