Subject: A Resolution authorizing acceptance of a proposal from Feld Fire, Carroll, Iowa, for the purchase of a 2022 Ford E450 McCoy Miller Type III ambulance for a total purchase amount not to exceed \$216,650.00.

Background: In February 2023, one of the Gladstone ambulances was involved in a vehicle accident as it was responding to an emergency medical call. Another driver failed to yield to the emergency vehicle and pulled out from a parking lot, striking the ambulance in the left front corner and causing enough damage that the ambulance is not repairable. The driver of the vehicle did not have liability insurance and the City was forced to submit a claim to Midwest Public Risk (MPR). The estimated wait time of a new or remounted ambulance is projected to be 2 -2.5 years, due to shortages in obtaining a vehicle chassis. Feld Fire has a remounted ambulance in stock which is immediately available for purchase. The insurance proceeds from the damaged ambulance will cover approximately 60% of the new purchase.

Budget Discussion: Funds are budgeted in the amount of \$216,650.00 from the General Fund. Ongoing costs are estimated to be \$ 0 annually. Previous years' funding was \$.

Public/Board/Staff Input: Staff recommends approval of the proposed Resolution.
