**Subject:** A Resolution authorizing the City Manager to enter into an agreement with Ed M Feld Equipment Co Inc, dba Feld Fire. Carrol IA, for the purchase of a 2023 Spartan 2120 S180 MetroStar Pumper

**Background:** Given the extreme work cycles and demands placed on firefighting vehicles, routine replacement becomes necessary when maintenance and repairs begin to outpace overall cost effectiveness and reliability. Complicating the process is the supply chain /production delays within fire apparatus manufacturing resulting in the average delivery time of 48 months. Feld Fire has presented a unique opportunity to purchase a vehicle meeting our specifications for the replacement of Engine 2. This replacement is currently in production, and has an expected delivery time of December 2023. Feld's pricing is within fair market values and provides the most cost-effective option for the City.

**Budget Discussion:** Funds are budgeted in the amount of \$ 677,035.00. Ongoing costs are estimated to be \$ 0 annually. Previous years' funding was \$NA.

**Public/Board/Staff Input:** Staff recommends approval of the proposed Resolution.

**Provide Original Contracts, Leases, Agreements, etc. to:** City Clerk and Vendor.
