Subject: Contract Amendment No. 3, Linden Connector Trail Design, Project TP2373

Background: The Linden Connector Trail is a proposed east-west trail through Gladstone from the Northland Innovation Center at 6889 N. Oak Trafficway to the intersection of Missouri Route 1 and NE 68th Street. The proposed trail will include a combination of on-street and off-street facilities as shown on the attached exhibit. The original design was authorized by Resolution R-22-60. Amendments No. 1 and 2 included minor design revisions to address property owner comments and to begin discussions regarding the possible expansion of parking for the Northaven Condominiums. The project was initially awarded \$475,000 in Federal Transportation Enhancement Funds and was recently awarded an additional \$245,000 (\$720,000 total). The total estimated construction cost is \$900,000. Amendment No. 3 will incorporate design revisions requested by the Linden Baptist Church and to reduce the amount of right of way required to construct the project and obligate the additional funds by a deadline of September 1, 2024.

Budget Discussion: A financial breakdown of the contract is as follows:

Original Contract Amount:	\$ 60,000.00
Amendments 1 and 2	<u>8,625.00</u>
Total Approved to Date:	68,625.00
Amendment 3	<u>15,618.00</u>
Revised Contract Amount:	<u>\$ 84,243.00</u>

Funds for this work are budgeted in the TST Fund.

Public/Board/Staff Input: City staff recommends approval of this Amendment.

Provide Original Contracts, Leases, Agreements, etc. to: City Clerk and Vendor.
