Subject: Contract Award, AMR Hardware, Software, and Training

Background: In 2014, the City transitioned to an Automated Water Meter Reading (AMR) system supplied by Neptune Technology Group. That system allows the City to collect water meter readings from a mobile collection device mounted in a vehicle. The existing AMR system has reached the end of its useful life and requires hardware and software upgrades.

Budget Discussion: Funds are budgeted in the amount of \$60,000 from the CWSS Fund. Ongoing costs are estimated to be \$2,500 annually for software maintenance.

Public/Board/Staff Input: Schulte Supply, Incorporated is the local vendor for products supplied by the Neptune Technology Group. City staff recommends acceptance of their proposal in the amount of \$51,260.00 to provide new hardware, software, and training associated with the City's AMR system.

Provide Original Contracts, Leases, Agreements, etc. to: City Clerk and Vendor.
