October 13-14, 2022

Thursday, October 13th

The fall craft fairs in northwest Arkansas are legendary. Each year, the fairs offer everything from homemade quilts to handspun sugary treats, home décor, and handmade gifts. Thousands of shoppers will flock to the area in October for fall color and goods and wares. Some of the finest juried shows take place here annually. The War Eagle Fair began in 1954. It was started as a way for crafters from across the Ozarks region to display their works. It continues today over 65 years later with the same idea. With more than 250 booths of all handcrafted products displayed by their creators, the War Eagle Fair takes place along the banks of the War Eagle Creek. A beautiful fall setting of changing leaves makes the perfect get away for craft lovers. While here you will want to visit the War Eagle Mill. The War Eagle Mill Gift Shop is filled with many organic and locally made food items like delicious preserves, syrups and soups. Stop in for a bite at The War Eagle Mill Restaurant and sample the beans and cornbread and other tasty dishes. The festivities will also include food trucks and entertainment!
