## *City of Gladstone*

## *Legacy Tree Program*

*"They are beautiful in their peace, they are wise in their silence, they will stand until after we are dust. They teach us, and we tend them."*

*Galeainip Alteiem Macdunnelmor*

# City of Gladstone

## Legacy Tree Program

*Legacy*-something handed down from one generation to another.

To help insure that future generations in Gladstone will continue to enjoy beautiful green, forested parklands, the Gladstone Tree Advisory Board is establishing the "Legacy Tree Program." This program will enable private citizens or groups to donate money for the planting of trees in parks or other City property.

What better way to celebrate the life of a loved one, an anniversary, the birth of a baby, etc. The reasons for giving are endless but the result is the same: a living reminder of an event or a person that will provide many benefits for many people for years to come.

**Births** are celebrated with a planting so that child and tree can grow up together.

**Wedding** trees reflect new life in the earth as a couple begins their new life together.

**Memory** trees planted as the result of death are a caring way of bringing continued joy in causing a life to be remembered.

**Family** trees are nurtured and visited by generations as a living legacy to the "roots" of a family.

**Thank You** trees provide a meaningful way of recognizing special people.

If you would like to participate you may complete this form and send it to:

Gladstone Parks & Recreation  
7010 N. Holmes
