

Memory Bench Program

The cost of the bench includes a commemorative plaque and installation. Benches are made of steel with cast iron supports, with a durable powder finish and are installed on sites **mutually agreed upon by the purchaser and the Director of Parks, Recreation and Cultural Arts**. Timing of installation depends upon the time of year the order is placed and received. Plaques are approximately 2" x 8" and can accommodate 3 lines of text.

For more information call the Gladstone Parks and Recreation Department at (816) 423-4089.
